

Drainage And Sewer Report Due In May

Citizen Group, Engineers
Confer With Illinois
Sanitary Water Board

A completed report on the sewer and drainage program for the city should be ready for presentation to Granite City council members in May, it was learned today from G. W. Hoelscher, chairman of the Citizens' Master Sewer & Drainage Committee.

Hoelscher said he and the survey engineers along with local industry engineers went to Springfield yesterday to submit a progress report on the city's river pollution abatement study to the State Sanitary Water Board. Plans are for at least a portion of the pollution study report to be included in the May meeting with the board.

Yesterday's conference was with Clarence Klassen, technical secretary of the state board, and his assistant, D. B. Morton. Accompanying Hoelscher were C. H. Sheppard and Edward Juncus of the engineering firm of Sheppard, Morgan & Schwaab; Donald Cairns and C. V. Ruhlmann, industrial engineers.

Treatment Plant
Klassen, who expressed satisfaction with progress being made here in the city's study to abate river pollution, asked the Citizens' Committee when a decision would be made on construction of a sewage treatment plant, either by the city or the East Side Levee & Sanitary District.

Hoelscher replied that data is in the process of being compiled on sewage flow and industrial waste under separate sewer systems for drainage and sewage (the city now has a combined sanitary-sewer water system), and when all data becomes known, cost figures are to be determined for a city-owned and operated plant.

The survey engineers are now conferring with local industries to determine their waste flow under a dual sewer system, Hoelscher pointed out.

Seek \$250,000 Grant
The engineers also are conferring with the Chicago District of the Corps of Engineers, and it is hoped Granite City will qualify for a \$250,000 federal grant toward construction of a sewage disposal plant in the river pollution abatement program.

Hoelscher said the possibility the federal government might increase the amount of such grants.

The group outlined for Klassen and Morton the problems with the city's sewer system, and that it hoped this problem would be eliminated with the undertaking of the master sewer and drainage program.

"We told Klassen the master sewer report is to be made available by May 21," Hoelscher said, and under the plan, the levee district will be called upon to build trunk lines, while the remainder to be financed with general obligation bonds. The sewage treatment plant could be built with funds from a revenue bond issue, to be paid with small user fees.

City To Increase Sewer Rental Fee For Laundromats

A proposed increase in sewer rental fees for laundromats in the Nanticoke area and annexation of the Royal Crown Cola Co. plant site were the main business conducted Monday night by Granite City council members.

Placed on second reading was an ordinance annexing to the city the 10th addition to Glenview subdivision.

The lowest in sewer rental fees for businesses was proposed for laundromats connected to the Nanticoke area sewer system and would not change the \$30 monthly fee for other types of businesses or the \$250 fee for dwellings.

Breakdown Of Fee
The amendment to the sewer rental ordinance would set the laundromat rental fee at \$10 for those businesses with one to four machines and \$250 for each additional machine. The collections on the operators would be based on the number of machines, but a change in the ordinance to conform with the practice is now being made.

During a brief discussion, after which the proposed amendment was read, several citizens said the higher rates would work hardships on the operators who are basing their business on the fee set forth in the original ordinance. Alderman Steve Basaroff, after doing quick figuring, said a business with 20 machines would pay \$2,000.

RC, ITR Annexations
Annexation petitions were submitted by Royal Crown Cola Co. and Illinois Terminal Railroad (Continued on Page 11, Col. 3)

Gas Heat Permits Going To Illinois Power Customers

Illinois Power Co. announced this week that it will soon mail permits to its customers who have signed up for natural gas heating in the Quad-Cities, Bellevue, St. Louis and Illinois river areas.

Local Illinois Power Co. office employees said that while the data would be supplied to the levee district engineers in order that they watch the gas figures for a Granite City plant in the district's office.

The survey engineers are now conferring with local industries to determine their waste flow under a dual sewer system, Hoelscher pointed out.

Seek \$250,000 Grant
The engineers also are conferring with the Chicago District of the Corps of Engineers, and it is hoped Granite City will qualify for a \$250,000 federal grant toward construction of a sewage disposal plant in the river pollution abatement program.

Hoelscher said the possibility the federal government might increase the amount of such grants.

225 Honor Eagles Auxiliary Nat'l. President Here Monday

More than 225 persons attended a statewide dinner and meeting at the Eagles Home Monday evening honoring Mrs. Adeline Navarre, Grand Madam President of the Grand Auxiliary of the Eagles.

The key was one of the five original small bronze keys designed for the city and it was presented in honor of the first appearance of a national president of the local group.

Among the distinguished guests were representatives of lodges in 21 cities throughout the state, grand officers, current state officers, and past state officers. Mrs. Margaret Johnston served as program chairman and introduced the guests, including the Illinois state president, Mrs. Frances Steinman, a member of the local Auxiliary, who has the distinction of being the first state president from the Granite City Auxiliary, and who shared honors with Mrs. Navarre.

Mrs. Navarre, who lives at New Castle, Pa., was presented with a hat made by Mrs. William Smith, as a gift from the local Auxiliary.

After the dinner the regular meeting was held in the lodge hall and the honor guests received gifts and corsages.

Mrs. Navarre and Mrs. Steinman were escorted into the hall by the Auxiliary past presidents, Bonnie Shoemake served as flower girl.

Caterment was furnished by a barbershop quartet, members of the Sweet Adelines chorus, and an orchestra. A parade was held in which 73 participated. Prizes were awarded to the winners and an initiation of two new members was conducted by the Wood River ritual team, state champions, accompanied by the Granite City escort team.

The meeting was presided over by Mrs. Viola Carey, Auxiliary president, and there were short talks by the guests of honor. Mrs. Navarre expressed her appreciation for the fine turnout at the meeting and the local group's efforts.

Aerie President Edward McGovern presented Mrs. Navarre and Mrs. Steinman with corsages. Among those introduced, in addition to visitors from other cities and mayors were Police Magistrate Andrew Gasparovic Jr. and members of the committee who assisted the general chairman, Mrs. Margaret Johnston. They were Mesdames Edna Kohlbrecher, Cora Hettick, Mildred Smith, Helen Presley, Theresa Daiger, Dolores Shoemake and Sylvia Osceola. (Continued on Page 5, Col. 4)

84 Seeking 36 Public Offices On Tuesday

Vote On New District
Offices, Floridization;
Three Town Meetings

Decisions will be made on 84 candidates for 36 offices at 63 polls next Tuesday, when the first of the April elections are held in the Quad-Cities. Ballot voting will include an advisory vote in Granite City on whether to fluoridize the water supply, and annual town meetings will be held at 2 p.m. Tuesday at the city courtroom in Granite City and Venice city hall, and at 7:30 p.m. Tuesday at the Nanticoke township office, Route 162 east of Route 111.

First justice of the peace and constable under the new Quad-City district will be chosen, along with officials for the city of Granite City, the Granite City, Nanticoke and Venice townships and the Granite City and Venice park districts. Those to be elected include a mayor in Granite City and supervisors of Granite City and Venice townships.

School Additions

Bids on constructing one of two Granite City grade school additions will be opened Tuesday, April 18, the school board decided Tuesday night in approving final work drawings submitted by Architects Henry Gabriel and Sylvester Dulgeroff.

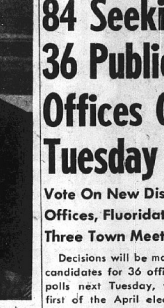

The early bid deadline was set in the hope of completing the additions in time for the new school term in September. Supt. Harold M. Kaiser and the architects are visiting the county and state superintendents' offices in the hope of completing the plans which would enable them to be made available to contractors next week.

Design for Additions
Both buildings, opened in the fall of 1959, were designed with heating plants and other basic facilities to allow for additional buildings to be added in the future. The architects explained that the two schools' existing design is to be followed generally, except that fluorescent lighting is being substituted for incandescent, and the wiring and switches will be so arranged that lights can be turned off if not needed, while other lights in a room are in operation. Three sets of lights will be controlled separately.

In addition to building classrooms, the projects involve remodeling restrooms that were "bought in" at the schools but had fixtures and finishing.

After a discussion of reinforced concrete window linings, Board President Homer Huber asked if there could be greater participation in the fine turnout at the meeting and the local group's efforts.

Aerie President Edward McGovern presented Mrs. Navarre and Mrs. Steinman with corsages. Buy Earth Grader For GC District Campuses, Lots

Purchase of a grading machine to be used in maintaining school parking lots, driveways, grounds and athletic fields was voted by the Granite City school board Tuesday night.

The 1959 model grader was obtained for \$3500 from the Missouri-Illinois Tractor Co. It cost about \$8000 new and has been used for 211 hours. It was reported by Secretary Howard Kaseberg, member of a committee of board members and administrators that inspected available graders.

A study made by Supt. Harold M. Kaiser indicated that the district will be unable to obtain a surplus grader from the federal government, since other agencies are given a higher priority than school districts.

Snow Removal

In addition to use in improving parking lots and other school facilities, the machine will be suitable for removing deep snow when necessary, Dr. Kaiser said.

Work is planned at Mt. Vernon, Logan Annex, Gifford City high school and other schools.

Housing for the grader was discussed briefly, with Board President Homer Huber urging improved appearance of facilities and equipment at the rear of the high school.

The board granted permission to the Nameoki Little League to use the baseball field behind the Nameoki grade school this summer.

Mathematics Reimbursement

It was decided to apply to the federal government for purchase of \$4473 in mathematics supplies and materials under the National Defense Education Act. About half or \$2200 is to be reimbursed.

It was noted that total participation this year is expected to reach about \$14,000, with \$7000 reimbursed.

Acting on bids, the board ordered 12 folding cafeteria tables, benches and storage cabinets costing \$3814 from the Blackwood-Wielandy Co. for installation at Frohardt school, where the multi-purpose room is to be used for lunches, with the dining room converted into classrooms.

The "Mitchell" brand tables are the same as at Logan school and are highly regarded. Other bids were \$3900 and \$4148.

Food Conveyor

A low bid of \$514 from the Colson Co. was accepted on a package conveyor to be installed in a GCIS basement area to aid in transferring canned food deliveries from trucks to storage space. The purchase is to be made from cafeteria funds and is subject to approval of the director of the state hot lunch program.

Huber asked that double handling be avoided wherever possible by delivering directly to schools. It was reported that federal surplus commodities are available only in large truckloads requiring division among a number of schools.

The board accepted a low bid of \$117 from the Duluth Chemical Co. on furnishing a 55-gallon drum of drying agent for school cafeteria dishwashers at \$2.13 a gallon.

Book Binding

It was decided to have library book binding handled by Hickman Bindery of North Manchester, Ind., at \$1.25 for books eight inches in size and smaller, \$1.40 up to nine inches, \$1.65 to ten inches, \$2 to 11 inches and \$2.25 for books over 11 inches and including those 12 inches.

Bids were opened on year-books, industrial arts equipment, mower equipment, piano tuning, electric fans for cafeterias, polyethylene bags, tick-pinning and industrial arts tools and supplies. They are to be acted on at the next board meeting, April 11, when the board will reorganize after the April 8 election.

Bills approved totaled \$12,228 for the education fund, \$1965 building fund and \$4588 new construction fund.

Discuss Travel Costs

Commenting on bills for travel expenses of school employees, Huber urged that the board consider revising its policy on such expenditures within the next several months. He said the practice has been "going on as a tradition for quite a few years in the past" and that he has discussed possible changes with Dr. Kaiser.

Included in Tuesday's bills were pay for travel to education conferences, interviews with prospective teachers and athletic events.

Huber and Kaseberg suggested efforts to reduce school telephone costs.

Five Local Pupils In Mathematics Field Day

Winning ninth grade mathematics competition in the Granite City school district, Patricia Crump, Nadine Field and Janet Kramer of Coolidge junior high and Haig Nghoboussian and Karen Tegel of Prather junior high will join students from 34 other schools at Carbondale Saturday for the annual Southern Illinois University "Mathematics Field Day." They will be accompanied by Harry Lane, Coolidge mathematics teacher.

First conducted in 1958 when it was conceived as "a modest exercise" for interested students, the event has ballooned into one of the biggest prep gatherings of the year at SIU. It pits students against each other in a test of their mathematical knowledge — almost a full day of examinations. Individual scores of students also are averaged for each school, to provide team ratings.

Dr. W. C. McDaniel, SIU professor and chairman of the event, said more than 800 students will compete this year. Awards will be presented at 3 p.m. in Shrock Auditorium following an informal lecture on mathematical "Facts and Fancies" by Dr. Dilla Hall, associate professor of mathematics.

Concurrently with the tests, meetings for teachers from the participating schools will be conducted to discuss secondary mathematics progress. Speakers will be Dean Glenn Ayre of Western Illinois University and Miss Gussie Phillips of the state superintendent's office.

MORE ABOUT

Fluoride Less Costly

(Continued From Page 1)

The addition of tiny amounts of soluble fluoride to public water supplies. The recommended dilution in most parts of the country is one part of fluoride for each million parts of water. The process has been proved consistently harmless.

"Some water supplies from natural sources have too much fluoride. Even though there is a very large safety factor, water with excessive amounts should be adjusted downward to about one part per million.

Avoid Staining, Mottling
"While fluoride concentrations as high as 15 parts per million have not caused bodily harm, the high excess fluorides cause stained or mottled teeth, which are hardly desirable. In such staining or mottling occurs when the fluoride is 1.5 parts or less per million parts of water."

"Even though opponents of water fluoridation like to imagine an ideal purity found in nature, practically all water contains some very minute traces of fluoride. It often occurs in amounts as small as one part to one part million parts of water, which is not enough to assure healthy teeth. In such instances, water fluoridation is recommended. Some places, like Aurora, Ill., and Stratford, Ontario, have found that, by sheer luck, nature had provided their drinking water with just the right proportion of fluorides."

Views Of Authorities
Acknowledging that opponents make varied charges about fluoridation, Dr. Duhalpe contains statements to reassure the public:

Dr. Robert A. Kehoe, director of the Institute of Industrial Health—"The question of public safety of fluoridation is non-existent. From the viewpoint of medical science."

Dr. Nicholas C. Leone, chief of medical investigation for the National Institute of Dental Research—"We know without question or doubt that one part per million fluoride in a water supply is absolutely safe, is beneficial, and is not a source of any undesirable systematic effect in man."

On the same topic, Dr. Walter C. Alvarez, Mayo Clinic, Assistant in Medicine, said in the St. Louis Globe-Democrat this week that fluoridation is safe and needed but that many people have been turned against it by misinformation from opponents of health measures.

In an article headed, "Prejudice Top Foe of Fluoridation," Dr. Alvarez said he has fully investigated the subject and has found nothing to alarm the public claims about alleged effects. He said he does not believe fluoridation is an invasion of rights because it is necessary, just like the chlorine in water, for maintenance of public health.

Consumed By 45,000,000
No less a health authority than Dr. John W. Knutson, chief dental officer of the U. S. Public Health Service, points out that over 45,000,000 people in the U. S. are drinking fluoridated water and that "fluoridation continues to be the most effective and practical procedure to control dental caries (decay)."

Dr. Knutson describes the opposition to fluoridation as "very similar to that which arose during the early days of such invaluable health measures as chlorination of public water supplies, pasteurization of milk and vaccination."

He goes on to say that "anti-fluoridationists have found that appeal to the emotions of the public is a much more effective means of gaining support for a measure than a presentation of precise, scientific information."

"They have thus used varying tactics to create doubt and fear in the minds of people who ordinarily would accept the advice of recognized authorities."

Tragic Dental to Millions
"It is nothing short of tragic to deny millions of children the benefits—now and in their later years—of healthy teeth, particularly."

Court Dismisses Complaint Against Granite City Ballot

City Court Judge Fred P. Schuman Monday dismissed a complaint as to the legality of the Granite City city-township ballot for the April 4 election filed by an attorney for the Citizens League Efficient Administration Party.

In his dissenting opinion, Judge Schuman cited the Illinois Revised Statutes concerning elections which provide that "The list of candidates of the several parties and any such list of independent candidates shall be placed in separate columns on the ballot in such order as the authorities charged with the printing of the ballots shall decide."

The authority in this case was City Clerk A. L. Stevens, against whom the CLEA party had asked that an injunction be issued to prevent the printing of ballots in the form drawn up by Stevens. The plaintiffs had charged in their request for an injunction that Stevens had assured the CLEA candidates that the list of CLEA city and township office seekers would appear in the CLEA candidates column of the ballot as printed.

The plaintiffs also had questioned the appearance of the names of the CLEA Party candidates, claiming that they would only confuse voters.

Ruling On Added Lines
Judge Schuman again referred to the revised statutes of elections, which states that a voter may cast a ballot for a candidate not listed on the ballot by writing in the name of the candidate of his choice in a blank space on the ballot.

He stated that "While it may not have been proper to provide for 'writing in' the name of a candidate, there is no mandatory language in the statute declaring it illegal to do so. . . (and) by ordering the City to strike such from the ballot as requested by complainants might invite error rather than obviate it."

It was also Judge Schuman's opinion that the contesting of the election by the plaintiffs "is to the present matter an excessive remedy. For this court to take jurisdiction in a political matter, controlled solely by statute, to interfere with the ballot, as requested in this case by injunction, would in the court's opinion, violate the intent of said statute," he said.

As a result, Judge Schuman said that the contesting of the election by the plaintiffs "is dismissed on the basis of the court's opinion that the complaint is frivolous and that the court should not waste its time and resources in a matter of this nature."

The judge concluded that "The object of the ballot is, not to furnish voters with information as to persons who are candidates of their respective parties, but to enable them to indicate in prescribed form the candidates of their individual choice."

Hector Calvo, attorney for the CLEA Party candidates who filed a request for the issuance by the court of the writ of habeas corpus, said this week that "This does not permit any further action before the election," but that other action may be taken after April 4.

Early when public opinion polls indicate a majority of citizens wish to take advantage of this established health measure. "Costly, painful and disfiguring—these grim terms characterize the most prevalent of all diseases, dental decay. A decayed tooth never heals by itself, by prescription or by advice."

"More than 97 million people in the United States have decayed teeth requiring treatment. More than 21 million others have lost all their teeth. The average high school graduate has had 10 teeth attacked by decay, and family dental bills total \$1.7 billion annually, although only 40% of the population seeks dental treatment. If everyone who needs dental treatment were to seek it, there would not be enough dentists to go around."

Prevention Sensible Approach
"Prevention is the only sensible approach to this great problem. The combination of factors just noted, including the untimely nature of the disease, points to the need for a preventive measure that is effective, safe, inexpensive, convenient, widely acceptable, and automatic. Fluoridation of community water supplies meets these requirements."

"Fluoridation has been called the most outstanding advance in the history of dentistry. No public health procedure for the control of a disease has been as thoroughly tested."

"Not only does it reduce tooth decay by two-thirds, but its widespread use will enable the dentist devote more time to such serious dental problems as periodontal diseases, malocclusion and chief lip palate."

Mrs. A. H. Seebold Will Head Cancer Drive

Mrs. A. H. Seebold, secretary and treasurer of A. H. Seebold Truck Service and Excavating Co., 2011 Adams street, has been named chairman of the 1961 Cancer Crusade which begins Saturday.

Mrs. Seebold said volunteers are being sought to serve on committees of publicity, individual canvases, special gifts, trades and industry, and organized groups. A county wide kick-off banquet will be held April 6 at Alton.

Cancer Society headquarters are at the Seebold home, 2645 Cleveland blvd., and persons may go there or telephone GL 2-7344 for further information, she said.

Highlight of the campaign will be the All-Day Drive on April 11 when volunteers will go door-to-door to solicit funds.

Mrs. Seebold, a member of the Granite City Chapter of the 1961 Cancer Crusade which gets underway in the Quad-Cities on Saturday, said the volunteers "will not only ring doorbells to solicit funds, but will distribute pamphlets stressing the value of annual health checkups and the importance of learning the danger signs."

Funds from the month long drive will go toward cancer research, education and service, she said.

Robertson Elected Elks' Exalted Ruler

R. E. "Mickey" Robertson, former mayor of Granite City, was elected exalted ruler of Elks Lodge 1063 Tuesday night in Balloting at the Elks Club, 1329 Niedringhaus avenue.

Robertson defeated Horace Westbrooke who was elected exalted ruler of Elks Lodge 1063 Tuesday night in Balloting at the Elks Club, 1329 Niedringhaus avenue.

Elected leading knight was B. C. "Tip" O'Neill. The post of lecturing knight went to Norbert Schmitt, who defeated Fred Marshall. Bill Williams was elected leading knight. William Tarris defeated Ernest "Pat" Rich for the position of three-year trustee. Leonard Fleishman defeated Alvin Barnes Jr. for the post of two-year trustee. Walter "Doc" Stone was elected secretary. Arthur Buentz Jr. treasurer and Fred C. Borek, Tyler.

Rich is the retiring exalted ruler.

The election meeting was presided by a free steak dinner with 166 members in attendance.

There are many ways to get the measure of a man, but easy credit is one of the world's best intelligence tests.

Church To Give Classes On Sex Education

The first of a four-part series on the "Christian Approach to Sex Education" will be offered Sunday, April 9, at St. Bartholomew's Episcopal Church to students from grades nine through 12, according to Rev. David E. Nyberg, pastor.

Sponsored by the church the series is based on the book "To Be Tied," published by the official publishing house of the Episcopal Church and written by Rev. Charles E. Batten, and Donald E. McLean, a noted pediatrician.

Rev. Nyberg said parents will not be allowed in the sessions and students must have permission of parents to attend.

"We will certainly be happy to answer inquiries of parents who may wish to know more about the program before giving their children permission to attend," Rev. Nyberg said, adding that "this is not an attempt to frighten young people into more acceptable behavior, but an attempt to give them information they might otherwise have to 'pick up from dubious sources.'"

The first meeting, which will be the movie "Human Reproduction," sponsored by the Illinois Department of Public Health with a discussion and explanation by Dr. Alan Skirball.

On April 16, an answer session will be conducted by Dr. Skirball who will review questions previously written out by the students.

A discussion-providing film, "Early Marriage," and a talk on dating and popularity by Rev. Nyberg will be presented during the April 23 meeting.

The final installment on April 30 will deal with the Christian view of marriage, with Mrs. Robert J. Miller, registered nurse assisting in the program.

Benefit Adds \$183 To GCHS Marquee Fund
Final tabulation of receipts from a benefit basketball game between Granite City high school faculty members and GCHS lettermen, played earlier this month, shows contributions totaling \$183.

The receipts are to become part of a fund now containing over \$500 to be used to defray the cost of building and erecting a lighted marquee. It would stand in front of the high school and call attention to school musical, athletic, social and scholastic functions which are open to the public. Athletic Director Dick Yates said.

78 Enroll In GC Basic Civil Defense Course

A record-breaking class of 78 students enrolled Tuesday evening in a basic civil defense course being offered by the Granite City CD organization, according to CD Director, George Schumacher.

The number far exceeded expectations, and CD officials dispatched a crew to the city hall to get more chairs to accommodate the large group.

The course is to be conducted in two-hour sessions each Tuesday evening, starting at 7:30 p.m., for five weeks in the newly remodeled classroom on the second floor of the old fire station building on 19th street.

Schumacher said enrollments still are being accepted. Next Tuesday's class will feature a film on "Operation Ivy," a hydrogen bomb burst.

The 10-hour basic course is being taught by members of the local CD staff who were trained at staff colleges conducted by the Office of Civil Defense Mobilization.

Venice Students See Auto Safety Program
An automobile safety demonstration emphasizing braking distances at various rates of speed was conducted near Venice high school Tuesday, with two students and two faculty members participating, and the entire student body watching.

Driving a specially equipped auto were Philip Smith and Judith Edwards, students; and Mrs. Genevieve Dake and K. Duane Rankin, faculty members.

Sponsored by the Madison County Farm Bureau, the demonstration was held on a closed-off street near the school.

A device in the auto showed the distance traveled while the driver is moving his foot from the accelerator to the brake, and the distance required to halt the car.

The program, arranged by Lewis Sablin, principal, and Omar Butts, driver education instructor, A reaction and braking chart was distributed to the students.

Know-It-All Athlete—Or Citizen— Won't Go Far, Says SIU's Gallatin

"You've had it," Harry Gallatin said, "if you ever think you know everything about basketball — or anything else."

Gallatin, coach of the IACI champion Southern Illinois University basketball squad, was addressing about 100 friends and athletes at Granite City high school, members of the GCHS varsity wrestling and basketball teams and the cheerleading section.

A veteran of 10 years of play in the National Basketball Association after graduating from Roseau high school and starting with Kirkville, Mo., State Teachers College, Gallatin recalled his first assignment in the pro ranks — guarding all-time great Joe Fulks.

He held Fulks, until this year the holder of the NBA's single game scoring record, to "only 37 points that night," Gallatin recalled for the group, which had gathered at the GCHS cafeteria last night for a smorgasbord supper and to honor basketball and wrestling lettermen under sponsorship of the Lettermen's "G" Club.

Gallatin's efforts improved, however, he played with Gallatin in over 700 pro games during nine seasons with the New York Knicks and one season with the Detroit Pistons before abandoning the NBA for a coaching career.

He passed along to the dinner guests a few bits of knowledge gained during that span, which he said were necessary for a successful attempt at playing the game of basketball.

Be Sincere — Gallatin
"First," Gallatin began, "you've got to be sincere with yourself. By that I mean clean, but really clean, living."

"Second, you've got to give 100% of yourself every time you take the floor. And third, practice, practice, practice. And you've got to learn to keep your eyes and ears open; you may learn something."

Passing briefly over the well-publicized academic difficulties which have plagued some of his playing talent at SIU, Gallatin quipped that he had one freshman player "who flunked recess," but that this was not the usual state of affairs.

Roasts Offside
He also tossed a good-natured barb at basketball officials as a group by mentioning that while all good basketball players found their way into Heaven, the team fielded by St. Peter did

not have much of a chance in games with the Devil's gang, since all the officials also resided in the lower levels.

Gallatin was introduced by the master of ceremonies, Cameron Van Zuydam, who earlier recognized GCHS Wrestling Coach Bill "Red" Schmitt and Basketball Coach Andy Sullivan.

Schmitt, with wrestlers who were members of the Warriors' state fourth-place squad present, told of three objectives he set forth at the beginning of the season: as many dual meet victories as possible, successful defense of the University high school current title, and a good showing at the state tournament.

"All three were accomplished to some degree," he said, "listing the Warriors' 15-1 dual meet record, current title and the fourth-place finish at Champaign."

Meet Waikanae Here
Waikanae, the only squad to dominate the state tournament, Schmitt felt, because of larger varsity numbers and a wrestling program.

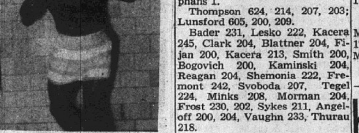

Meeting the only squad to defeat GCHS in dual competition this past season, wrestles full of varsity numbers and a wrestling program, Schmitt said he hoped a five-year victory streak over GCHS when Waikanae visits since 10 of the 12 Warrior lettermen will return.

Athletic trainer and former GCHS baseball coach, Al Lewis had to bear the brunt of Schmitt's dry wit as the wrestling coach related an "incident" involving Lewis while the wrestling team was on its Chicago area trip during the holidays.

Temperatures dipped to 14 below zero, and 12 inches of snow blanketed the ground.

"Lewis could always be found near a radiator," Schmitt revealed, "and whenever we had to go outside he coated himself with kerosene." So if the balding bill is high, he said, looking toward Granite City School Supt. Harold M. Kaiser who was seated at the head table, "you'll know why."

Schmitt introduced wrestling lettermen Bill Ridings, Ernie Taylor, Roger Bloodworth, Dan Bradley, Bob Cruise, Sam Pazio,

FEATURE BOUT on American Legion Post 307's amateur boxing card Friday night at the Dugout in Venice will match Joey Becerra (left) of Granite City and Eugene Simmons, 1961 Kansas City Golden Gloves champion at 130 pounds.

3 Local Fighters On Amateur Card Tomorrow Night At Legion Dugout

Seven bouts are definitely on the card and an eighth is being arranged for the American Legion Post 307 amateur boxing show at the Legion Dugout in Venice tomorrow at 8 p.m.

Sponsored by the Legion post and promoted by Gene McGovern and Jack Bogdan, the card will be headed by a three-round bout between Joey Becerra of Granite City, making his first appearance in the ring since 1958, and Eugene Simmons, the 1961 Kansas City Golden Gloves 130-pound open champion.

Becerra will be fighting under the Mexican AC banner, as will two other local boxers on the card, Connie and Joey Ybarra. All bouts, under amateur rules, will be three rounds in length.

Eugene Elberg is the referee. Dr. Leo Gziesek the attending physician.

The card:
112-pound novice: Connie Ybarra (Mexican AC) vs. Percy Holits (Sportsmans AC).

118-pound novice: Joey Ybarra (Mexican AC) vs. Orlando Burton (Sportsmans).

126-pound novice: Otis Canale (Pal AC) vs. James Leibold (Sportsmans).

135-pound open: Willis Drake (Sportsmans) vs. John Smith (Vashon).

160-pound open: Norbert Cody (Buddie Center) vs. Charlie Payne (Sportsmans).

180-pound open: Tex Newton (Buddie) vs. Fred West (Pal).

130-pound open: Joey Becerra (Mexican AC) vs. Eugene Simmons (Sportsmans).

GC-Trojan Game Canceled, Warriors At Triad Today; Pioneers Beat MHS

Still waiting to open its season after a scheduled game in Madison yesterday afternoon was canceled by the Trojans because of cold weather, Granite City high school's varsity baseball squad has scheduled a non-conference game this afternoon at Triad.

Rained out of two opening games with Carbondale and Murphysboro in southern Illinois on March 2, Joe Fedora's club should finally get something out of the scoreboard today, although the expected high of 55 degrees is by no means ideal baseball weather.

The fill-in contest with the Knights was hurriedly arranged following cancellation of yesterday's ballgame. It is likely that Madison and Granite City will not meet during the regular season, since Fedora and MHS Baseball Coach Earl McClanahan could not find coinciding open dates on their remaining schedules. Temperatures yesterday afternoon were in the low 40's.

Madison managed to open its season on schedule Tuesday, and the Trojan pitching department held up surprisingly well despite an opening game loss.

GCHS Soph, JV Baseballers Add Six More Games

Six games have been added to an original 11-game baseball schedule by Granite City's junior varsity and sophomore high school baseball squads, GCHS Athletic Director Dick Yates announced today.

The junior varsity has added a home-and-home arrangement with Waterloo high school, playing here at 11 a.m. on April 8 and in Waterloo at 11 a.m. on April 22.

Additional sophomore scheduling includes a doubleheader with Cahokia at 11 a.m. on April 15, plus home-and-home games with Belleville's sophomores here on May 12 and there on April 27.

"A seven inch WHAT!?"

"Drop, my young-looking friend... DROP!"

"It's the term we in the suit business use to talk about the difference between a suit's chest and waist measurements."

"For example, a forty inch chest and a thirty five inch waist means the DROP is five inches—which may've been fine for 'Mr. 1960', but doesn't come close today!"

"1961's masculine silhouette is slimmer, trimmer... right in step with modern living, better health and handsome, younger looks."

"Take yourself. Chest 41... waist 34... see, you need a seven inch drop!"

"Look at yourself in this Young-In-Build tailored walkable tropical. You can even feel the difference, can't you? Certainly you can, because there isn't a seam in either the coat or trousers that we'd have to touch."

Beautification of Madison Selected As Goal of Club

Madison Rotarians yesterday adopted beautification of the city as a major objective of their club in 1961-62 and the later years. Varied projects under this program were discussed, and committees are to be named to conduct them.

In approving recommendations of its board of directors, the club stressed cooperation in the beautification goal with other Madison organizations, the city government, school district and churches. Limited emphasis is scheduled this spring, with most of the planning geared for culmination in 1962.

Possible activities include lawn contest prizes, distribution of seeds and plants, seasonal decorations for major streets and dissemination of information on planting, lawn care, home care and remodeling and home and fire safety.

A discussion brought out that the general objective could be the city's efforts to obtain a rate reduction in fire insurance rates, as well as increasing the present neatness and beauty of Madison residential areas.

Alex Markuly served as discussion leader and William Winter presided. The club voted to invite Madison high school National Honor Society members to a luncheon this spring. Perfect attendance records of E. A. Friedman and John Sedlack were recognized.

C. of C. Gives Warning On 'Model Re-Siding'

Homeowners in this area were warned today by Harlan Dobry, manager of the Tri-Cities Chamber of Commerce, to be on guard against a scheme that is prevalent today—the "Model Re-Siding Job Racket." Although the scheme may victimize homeowners regardless of their circumstances, it is particularly reprehensible Dobry stated, because it frequently works a severe hardship on those who can least afford to suffer any financial loss.

Dobry emphasized that although the vast majority of firms engaged in home repair and maintenance work are reputable businesses, a small, shady element in this field operates one of the costliest, as well as one of the sneakiest, rackets to which the public falls victim.

The promoters of this scheme are itinerant salesmen who usually approach a homeowner with the yarn that they are just coming into the neighborhood and would like to use their home as a model to demonstrate to others what a fine home re-siding job they do. Dobry stated that agents for the National Better Business Bureau, with which the Chamber is affiliated, these promoters offer \$50 or \$100 as commission on every subsequent sale made in the area and a bonus for every customer the victim recommends.

The homeowner is led to believe that the cost of the job will thereby be liquidated in short order. Dobry reported that they learn to their sorrow that everyone is given the same sales pitch, the price stipulated generally is higher than the prevailing costs for such work, the work is apt to be sub-standard, oral promises that the commissions and bonuses are a myth. Their obligation to pay, however, is contained in a signed contract, which contains none of the salesman's misrepresentations.

"Preparators of this scheme," Dobry stated, "usually select homes which obviously require re-siding. Since the owners of such homes frequently are lacking in funds, they are obliged to take out loans or mortgage their homes. Thus, the costs which may run as high as several thousands of dollars, which those who can least afford it."

How To Avoid The Racket
"Homeowners can avoid being victimized on a re-siding job, or on other home repair work," Dobry concluded, "if they will heed the following guide: 'Take your time! Don't rush into any important home improvement job.'"

"Beware of the salesman who represents at the outset that your home is desired as a 'model' and promises a commission for each sale led or sale in the area, and who states, or implies, that such commissions will defray substantially all of the cost of the job."

"Deal only with firms whose dependability and reliability are known to you, or which you have established through intelligent inquiry."

"Get several estimates from the local firms and make sure that you understand exactly what each bid includes and what 'Get the names of several others in or near your home town who have done business with the contractor selected and find out from them whether their experience was satisfactory or otherwise. Don't rely on written testimonials."

"Make sure that the salesman you are dealing with represents the company you think he does, and that the firm handles the brand or brands claimed by the salesman."

Read and understand the contract before you sign and keep a copy of it.

Girl, 7, Injured

Seven-year-old Barbara Kazman, daughter of Mr. and Mrs. John Kazman, 2572 East 27th street, is a patient at Christian Hospital, St. Louis for treatment of a head injury suffered Tuesday afternoon in the 2500 block of East 27th street. She is to be a patient for about a week.

Elmer L. Ebrecht, 38, of 2629 East 27th street, told police he was driving west when he saw the girl run into the street after another car had passed. He said he was able to stop his car, but the girl ran into the left front fender and fell over backwards, striking her head on the concrete pavement.

The girl, a third grader at Sacred Heart school, was on her way to a nearby confectionery.

6 Hurt In Crash

Six persons, five in one car, were injured Tuesday evening in a two-car accident on Nameoki road a short distance north of the Fehling road intersection. Police identified the drivers as Peggy A. Karoly, 22, of 2400s Benton street, who was charged with failure to yield right-of-way, and Victor W. Piechocinski, 35, of 2405 Stunbury avenue. Both drivers suffered minor injuries.

Others injured were Mrs. Rose Piechocinski, 36, who struck her head on the windshield, and three Piechocinski children, Victor, 11, injuries to his left elbow and left thigh; Steven, 7, a small cut on the upper lip; and Shirley.

"Make sure that the sales representations made to you are set forth in substance in the contract. If they are not, don't sign it."

"Wait until the job is in fact complete before signing a completion contract."

Understand the specific terms and conditions of any guarantee that is given and be sure that they are incorporated in the contract. Beware of any implication that because a home is insured by a governmental agency, the agency guarantees material and workmanship."

5, a one-inch scalp cut which required seven stitches to close.

Police said Piechocinski was traveling north on Nameoki road, while the Karoly station wagon was making a right turn out of a driveway.

Auto-Train Crash, 2 Hurt
Two teenagers were hurt about 2 a.m. Wednesday in an auto-train crash at the 16th street crossing on Madison avenue.

Admitted at St. Elizabeth Hospital for treatment were John Cell Jr., 14, of 2675 Grand avenue, who police said was driver of the car, and a passenger, Patricia Kirksey, 18, of 2619 Iowa street. He is being treated for chest injuries, a cut to his face and abrasions to his forehead and left arm, while the other car was being driven by Albert M. Trautwein, 56, of 2135 Delmar avenue.

Police said Cell was driving on Madison avenue, while the Granite City Steel Co. switch engine was going west, operated by J. H. Mitchell, 32, of 2214 Adams street, engineer.

A steel plant guard obtained a warrant later Wednesday charging Cell with reckless driving, failing to heed a flashing red signal at a rail crossing and malicious destruction of property—the locomotive, which was damaged.

Elderly Couple Injured
An elderly couple, Joseph Coblen, 75, of 2538 Myrtle avenue, and his wife, Estelita, 78, suffered injuries Tuesday evening in a two-car accident at 25th and Adams streets. He was treated at St. Elizabeth Hospital for a cut to his nose and bruises to his face, while Mrs. Coblen was treated for injuries to her head, chest and both knees.

Comanches Down MHS Track Team Monday 92-26

Madison high school's track squad showed a weakness in field events — just as Coach Glen Pickering felt it would — as the Trojans dropped the first dual meet of the season Monday afternoon in Chokio, 92-26.

The Comanches had four double winners — Claude Fickman, Claude Gardner, Louis Murdock and Dave Brown — as they swept to victory in 11 of the 14 track and field events on the program.

Madison's first-place finishes were by Ken Griggs in the 220-yard dash, Ed Walker in the 440-yard run and in the mile relay — run by Walker, George Russell, Walt Cooper and Mike Harris.

Griggs Scores 11 Points
Griggs led MHS point producers with 11 as he finished second in the 100-yard dash and the broad jump. Russell was second in the 880, Mike Harris third in the discus and Paul Czervinski third in the 220.

Times and distances in most events were well off the records. In this area, not unusual due to limited pre-season workouts.

Madison was completely blanketed in the mile, both hurdle events, the high jump and pole vault and finished second in the 880 relay.

The winners:
100: Gardner (C), 10.3; 220: Griggs (M), 24.2; 440: Walker (M), 56.1; 880: Hickman (C), 2:10.0; Mile: Hickman (C), 5:03.5; 120 high hurdles: Murdock (C), 16.8; 180 high hurdles: Murdock (C), 22.2.

High jump: tie, Lewis and Levin (C), 5-6; Broad jump: Gardner (C), 20-4; Pole vault: Cleveland (C), 10-0; Shot put: Brown (C), 47-6; Discus: Brown (C), 181-4; 880 relay: won by Chokio, 4:40.7; Mile relay: won by Madison (Walker, Russell, Cooper and Harris), 8:58.5.

Madison's meet on April 7 at MHS with Edwardsville has been cancelled due to a teachers' meeting on that date, but the Trojans have added an April 4 dual meet at Collinsville to their schedule, Pickering said.

'Pays' Nickel For Auto Tire; 9 Other Thefts

An unusual procedure was used by a tire thief who spent a nickel to obtain a spare tire and wheel from a station wagon parked in the 1800 block of Edison avenue Monday afternoon.

Mrs. Ethel Lewis, 533 Mercerside street, said she had left her small daughter alone in the car while she went into an auto parts store to make a purchase.

While she was gone, a man gave her daughter a nickel, saying he had been instructed to take the spare tire to a garage to inflate it. He was last seen rolling the tire and wheel across the street.

Gas Station Burglary
A break-in at Brokaw's Service station, 12th street and Edwardsville road, was discovered about 1:10 a.m. Tuesday by Granite City police who found a window open on the south side of the building.

The proprietor was notified and told officers about \$40 was missing from the cash register. A pane of glass had been smashed to open the window.

\$149 Radio Taken
Theft of a \$149 transonic portable radio from the basement of his home was reported to Granite City police Tuesday by Norman Moore, 2234 Cleveland.

Moore said the theft occurred between 3 p.m. last Saturday and 9 a.m. Sunday. Police said there was no sign of a forced entry.

Theft of a welding cable valued at \$175 was reported to Granite City police's office yesterday by Kelly Dutko, 1421 Second street, Madison, who said the cable was taken Tuesday from his farm on Rural Route One, Granite City.

Seek Revocation In Burglary
An attempt to secure revocation of a 34-year-old Madison man's probation is being made this week by Madison police, who caught him Monday while he allegedly was in the act of burglarizing the Duffin Brothers Lumber Co., 1800 Madison avenue. Terms valued at over \$400 are still missing.

Pending action on the probation, police filed a charge of burglary and larceny against Martin V. Craig, 1585 Market street, after obtaining a statement from him. Police listed the time of the break-in as 4 a.m. and said they obtained a report on articles that were missing at 6 p.m. Monday.

Word of the incident was withheld by police Monday. Word of the incident was withheld by police Monday.

Waiting a preliminary hearing before Justice of the Peace Louis Kinsler Tuesday, he was bound over to the grand jury. No bond was granted, and he was taken to the county jail.

Craig related nothing earlier in the night that a glass pane had been broken out of a door on the south side of the building. After drinking at several taverns and buying a bottle of wine, he returned between 3:30 and 4 a.m. and parked his car nearby; entering through the same door, he made several trips in carrying articles to the auto, he said.

Saw Torch, Cleaner
Items removed were said to include a propane torch kit, two torch tanks, an electric heater, two electric saws, two saw blades, 12 tumbler switches, two sets of screwdriver bits, a set of drills, a 100-foot steel tape, two 50-foot tapes, five small crowbars, a large crowbar, a key, fishing bobber, four pairs of gloves, three extension cords, three back saws, five blades, a used vacuum cleaner, four ballpoint pens, tin snips, 12 flashlight batteries, a pocket knife, small window washer, used wire cutters, a box of keys and set screws.

Driving around the block, Craig said he decided to return to the lumber firm to obtain a power lawn mower. He took two crowbars from the collection in the car and tried to pry open a side door.

At this point, the police, said, arrested him.

Hubcaps Stolen
Donald Tensley, 2320 Illinois avenue, reported to police that four hubcaps were stolen off his 1959 auto Monday night when the car was parked at his home.

Two hubcaps were stolen Monday night from the auto of Joseph Meelan, 43 Venice Homes, while it was parked at the housing project, police were notified today.

Theft of two spinner-type hubcaps off his 1959 auto Monday night was reported to Granite City police by Bill Anderson, 2805 Washington avenue, who said he did not know the exact location where the theft occurred.

Wrench Sels Missing
Police recovered articles from the front seat and trunk of a car and found the crowbars at the curb near the car, adding that most of the items were new and tagged for sale. However, a later check at the building showed that still missing were a \$226 display of socket and wrench sets, eight boxed socket sets worth a total of \$13, seven open-end and combination wrench sets valued at \$51, a \$17 display vice grips, a \$10 pair of crimps and a \$2 pipe wrench.

Items returned to Fred Duffin, operator of the firm, were valued at a total of over \$200. Police said Craig served six months of a five-year sentence for an armed robbery in St. Clair county in April 1958 and is on probation for the remaining period. He has been working out relief payments on the Venice township labor force.

Tool Shed Looted
Thieves smashed a window in a M. H. Wolfe Construction Co. tool trailer to gain entry and steal two five gallon cans filled with gasoline and a crow bar. The trailer is located at the Coast Guard transmitter station building under construction on Chain of Rocks road, shortly after deputies said. The break-in was discovered by Charles Evans, job foreman, at 8:20 a.m. today.

Two fender skirts were stolen off the 1957 auto of Mitchell Elmore, 2600 East 25th street, Monday night when the car was parked on a Granite City Steel Co. lot, according to a report made Tuesday to Granite City police.

EASTER THEME AT BIRTHDAY PARTY

Miss Janet Stopkotte was honored Tuesday on her ninth birthday with a party given by her mother, Mrs. Jean Stopkotte, 2444 Dewey avenue, who was assisted by Mrs. Margaret White.

A large Easter basket served as centerpiece, and each was presented with a miniature copy of the large cake. Games were enjoyed and prizes were won by Kathy Soehlig, Tonia Poe, Debbie Seebold and the honoree. Guests were members of Brownie Troop 51.

Each girl received a gift from the hostesses, and refreshments were served to Nancy Proffitt, Anna Nelson, Marsha Burnett, Lynda Lear, Regina Odom, Kim Scheffel, Mrs. Lillie Anderson and Mrs. Betty Proffitt.

BIRTHDAY CELEBRATION

The eighth birthday of Barbara Ethen was celebrated Sunday with a party given in her honor by her mother, Mrs. Audrey Ethen of Circle drive. The decorations were of pink and blue and a large Easter bunny cake centered the refreshment table.

Games were enjoyed, and favors were presented to each child. Present were Betty Blum, Rita Curtis, Nelda Walcott, Diane Meredith, Robin Smith, Pamela and Debbie Cooper, Regina Odom, Lorna and Norma McElroy, Cindy Wyatt, Brenda and Jackie Jones, Debbie Ceasella, and Carl Barnes, Linda and Brenda Sullivan, David and Gary Robinson and Patricia Ethen.

Intermediate Girl Scout Troop 91 of Niedringhaus school met Monday. Work was continued on hemming of towels and Swedish embroidery. Present were Colleen Robertson, Carol Harris, Debra Paulette, Diana French, Nancy Elston, Janis Shaw, Ann Barnes, Barbara Fifield and Mrs. Margaret Fifield.

Miss Donna Johnson was a guest over the weekend of Mr. and Mrs. Alfred Poole, and daughters, Sandy, Peggy and Dawn, of Rockwood, Ill.

Girl Scouts Give Program For Niedringhaus PTA

The Girl Scouts and Brownies of Niedringhaus school presented a program for the PTA Tuesday evening honoring the founding of Girl Scouts, and PTA members elected officers for the coming year.

Mrs. Carl Ranft opened the program, conducted in the school auditorium, and the invocation was given by Dawn Zelan of Troop 48. Mrs. Margaret Pfaff and Mrs. Roberta Harris, leaders of Troop 91, were in charge of the flag ceremony. A Charleston dance routine was presented by members of Troop 90 who were instructed by their leaders, Mrs. Bertie Weiss and Mrs. Shirley Rapoff, and Miss Judy Friedman. They were introduced by Linda Kutowsky.

Old uniforms of the past 50 years were modeled by Scouts and their leaders, including Linnea Morgan, Diane Parks, Jennifer Ranft, Joette Sneed, Linda Trachsel, Mrs. Ruth Baker, Mrs. Mary Ropac, Mrs. Phyllis Grimm and Mrs. Vee Throne. Mrs. Betty Jo Bartels, leader of Troop 71, served as narrator.

Brownie Troops 175, 179 and 50 participated. The leaders are Medames Baker, Alice Jeffries, Marie Parks, Pearl Kennedy, Louise Smith, Ruth Stenberg and Darlene Lakin. Leaders of Girl Scout Troops 99, 91, 49, 71, and 150 who took part were Medames Bertie Weiss, Shirley Ropac, Fifeled, Roberta Harris, Phyllis Grimm, Sharon Reinhardt, Linda Trachsel, Bartels, Ropac, Norma Mianin and Katherine Plinke.

The Troops sang taps in unison and the echo was sung by Troop 99 and 91.

The program closed with the Scout prayer led by Mrs. Grimm. Table decorations in the cafeteria consisted of dolls dressed in Scout uniforms of other countries made by Miss Barker and Mrs. Jerry's rooms.

The new officers elected at the business meeting which followed the program were: David L. Gantt, president; Mrs. Della Siebold, Mrs. Kenneth McGee and Mrs. E. C. Robertson, vice-presidents; Mrs. Conway, secretary; and Harold Kuentler, treasurer.

Central Christian B&PW Meet

Group Three of the Business and Professional Women's Circle of Central Christian Church was entertained Tuesday evening at the church, 2020 Johnson road, by Mrs. Blanche Lane and Mrs. Pauline Wyatt.

Mrs. Mary Bibbey presided in the absence of the president, and Mrs. Lane led the worship service. The lesson on "Movement in Unity in Missions in the United States" was presented by Mrs. Viola Beck. After adjourning refreshments were served by the hostesses to those on the program and Mrs. Geneva Butler, Mrs. Mona Wilkerson, Mrs. Elma Craddock, Mrs. Ruth McCarty, and Misses Janet Harris, Kathryn Weddell, Jean Bibbey and Helen Stone.

'Y' Easter Decoration Winners Are Announced

Members of the local YMCA Teenage department selected entries by the F.I. Dele, B.I. Phi Pals and Gamma Tau Tri-Hi-Y clubs as the best in the annual Easter display contest this week.

Prizes are to be awarded to organizations which sponsored the winning entries, and all entries will be on display in the YMCA Teen Town lobby during the Easter weekend. Miss Pal Mega, teenage director, said:

Religious themes were used in two of the winning displays. First place winner F.I. Dele constructed a large half-egg in yellow, and situated a blue cross in the center of the opening. The second place display by the B.I. Phi Pals consisted of a smaller pink egg with one end left open and a lighted resurrection scene placed inside.

Third place winners Gamma Tau situated the traditional Easter bunny atop a basket filled with various sizes of decorated eggs.

Other Teenage department clubs which submitted entries in the contest were Tau Omega Phi, Sigma Omicron, Beta Omicron, Sigma and Chi Delta Chi.

Unhurt As Auto Overtakes
Samuel P. Buge, 31, of Rural Route One, escaped injury when his car went out of control on a curve just outside the Granite City limits on Alternate Route 67 and rolled over several times into a field, county authorities said. The mishap occurred at 2:20 a.m. Wednesday at the end of Missouri avenue. Authorities said Buge was alone in the car.

PRIZE-WINNING EASTER DISPLAYS constructed by members of YMCA Teenage department clubs include first place winner (top), a blue cross situated in the center of a yellow half-egg by F.I. Dele; second place (left), a small pink egg with a lighted scene of Christ's resurrection situated inside by B.I. Phi Pals; and third place (right), a traditional Easter bunny and basket by Gamma Tau. The displays are in the YMCA Teen Town lobby.

**Talk Here Tonight By
Fluoridation Opponent**
Plans were completed this week for a meeting at 7:30 tonight in the Granite City high school auditorium at which Louis L. Hicks, Clayton, Mo., attorney, will speak on "The Truth of Fluoridation." He is an opponent of water fluoridation, which will be voted on in Granite City next Tuesday.

Stanley Sweeney, O'Fallon, Ill., will be master-of-ceremonies. After the talk, Sweeney will read questions written by members of the audience and Hicks will give his views on them. Arrangements for the meeting were made by Donald Sparks of Granite City.

A suggestion was made by Alderman Donald Partney that the city also make arrangements to annex the tract opposite the RC plant, where the new city animal shelter is being erected.

The annexation ordinances for RC Cola and ITR were approved unanimously.

Yenesth Posing Questions
However, the annexation of the 10th addition to Glenview subdivision, placed on first reading early this month, was advanced only to second reading as Alderman Frank Nemeth questioned provisions for drainage and the plan for blackout in streets.

It was pointed out the city's subdivision ordinance would have to be changed if blackout streets are to be installed in the annex.

Also questioned was whether the subdivision had paid his share of the cost to widen St. Clair avenue bridge. It was pointed out he would put the money in escrow, to be paid to the city when another subdivision paid his share.

**Hohlt Renamed President
For Ford Dealers Group**
B. E. Hohlt, local Ford dealer, was re-elected president of the Ford Dealers Advertising Fund, Inc. during the annual meeting held Tuesday in St. Louis. The fund represents 226 dealers in the St. Louis district.

Hohlt also recently was re-elected president of the Madison County Mutual Automobile Insurance Co. at an annual meeting held in Edwardsville. Others elected were Edward Kleppisch of Collinsville, chairman of the board; Theodore L. Ladd, executive vice-president; E. L. Long, treasurer, and Ladimir Aubrecht, secretary.

**Service Clubs Invited To
Maundy Thursday Luncheon**
Members of Quad-Cities service clubs were invited to a luncheon at noon today at the First Presbyterian Church in observance of Maundy Thursday.

Invited were Granite City and Madison Rotary clubs; Granite City and Mitchell Kiwanis clubs; Madison and Venice Lions clubs and Granite City Noonday, Daybreak and Twilight Optimist clubs.

**RETURN FROM SQUARE
DANCE FESTIVAL**

Mr. and Mrs. Edward Boyd and daughter, Suzanne, 2023 Rhodes street, and Gary Green, son of Mr. and Mrs. L. D. McCoy, 2030 Nameoki drive, returned Monday after spending the weekend as invited guests at the 14th annual square dance festival of the North East Oklahoma Square Dance Association. Suzanne, 11, and Gary, 14, are square dance partners in the Tadpole Squares, which are supervised by Mr. and Mrs. Boyd.

The invitation to the event came from Willie Harlan of Yonetta, Okla., who was a caller at one of the weekly dances at the Madison recreation center and was impressed with the dance group.

The Boyds and Gary Green attended a workshop at which they learned several new dance numbers which they will use with the Tadpole group. Gary and Suzanne were the only boy and girl invited to dance with adult square dancers at an evening dance in which over 11,000 participated. Thirty different types of callers were present. The Boyds also attended a breakfast for the dancers.

Harlan will be in Madison and call for the group of advanced and intermediate square dancers on May 15. He calls nationwide in conjunction with business trips.

**BIRTHDAYS OBSERVED
BY DELRAY REBEKAHS**

Mrs. Verlene Williams, noble grand of Delray Rebekah Lodge 788, presided over a lodge meeting Tuesday evening at the Odd Fellows hall in Madison. During the business meeting, it was announced that "Noble Grand and Vice Grand Night" will be held at the hall on April 11. "Brothers' Night" will be held April 25.

Birthdays for the months of January, February and March were observed. Those honored were Mrs. Ellen Pinkerton, Mrs. Charles Maxon, Mrs. Minnie Perry, Mrs. Lucille Veach and Mrs. Veach.

A committee consisting of Evelyn Shastan, Ruby Wood and Thelma Stockton was in charge of the decorations and refreshments. The tables were decorated in an Easter theme, with small nests filled with assorted colored eggs as the centerpiece. Twenty members enjoyed the birthday observance.

SEVENTH BIRTHDAY
A birthday party was given Sunday afternoon for Billy Blakburn, who was seven years old. The party was given by his mother, Mrs. Fricilla Blakburn, and grandmother, Mrs. Nancy Blakburn, at the Blakburn home, 2004 McClelland avenue.

Games were played by the children, with a decorated cake and ice cream served to Fricilla Reed, Sheila Howland, Larry Howland, Todd Maxwell, Chris Blakburn, Rodney Jurgens, Scott Maxwell, Beverly Townsen, Marilyn Reed, Robin Maxwell, Connie Maxwell, Jennie Strader, David Uebrecht, Ronnie Jackson, Danny Allen, Curtis Howland and Sharon Howland. Gifts were presented to the honored guests.

HOSSETES TO CLUB
Mrs. Sally Bosworth was hostess to the Chatter Canasta club at the home of Mrs. Billie Bosworth, 1643 Fourth street, Tuesday evening. Canasta was played upon arrival of the members, with Mrs. Rae Miller winning high honors and Mrs. Billie Bosworth, low for the evening.

Others taking part in the games were Mrs. Annie Laura Platt, Mrs. DeLoe Rhoads, Mrs. Mattie Bosworth, Mrs. Bernice Gushfield, Mrs. Meryl Gonth and Billie Bosworth. The hostess served a luncheon. Mrs. Marie Bosworth will be hostess to the club members April 25.

Arthur Ratkiewicz opened a St. Mary's Club Den Three weekly meetings at the home of Mrs. Anthony Ratkiewicz, 1608 Fifth street, Monday. The meeting was opened with the pledge of allegiance to the flag and the club promise. Mrs. Ratkiewicz, den mother, presented the boys with model airplanes, which they assembled. A train song was sung before a closing prayer by Timothy Morton. Refreshments were served to Russell Hughes, Albert Hudak, James Kosak, Den Chief Kevin Morton, Gary Wasylak and Robert Rickert. No meeting will be held next Monday.

Enlists In WAC's
Miss Sandra Roberts, 18, daughter of Mr. and Mrs. Charles Roberts, 2710 Denver street, who enlisted recently in the WACs, is receiving training at Fort McClelland, Ala.

LATIN-AMERICA THEME OF DISTRICT DINNER

The Wood River Junior Women's club was hostess club to a 22nd Junior District pot luck dinner Tuesday evening at the Western Club in East Alton. Local representatives attended.

The evening's theme was Latin America, and the hostess club used straw-hat name tags, miniature cactus plants for favors at the head table and donkey cart planters at the members' tables. The headtable centerpiece was a doll dressed as a Spanish senorita.

Mrs. Robert Hall, president of the club, welcomed the members and guests and introduced Mrs. James Segraves, vice-president of the Southern Region; Mrs. Elton Orr, 22nd district president of the Illinois Federated Clubs; Mrs. Jerry Tratlaf, international affairs state chairman; Mrs. Benjamin Hill, 22nd district junior director; and Otto R. Tomich, president of the national Trade Mart in St. Louis, speaker of the evening.

Tomich spoke of the necessity of good U. S. relations with the Latin American countries and told of ways being followed to achieve and keep good relations. He said the difference in language presents the largest barrier and that he believes in the years to come it will be overcome with a common language.

A musical program was given by Mrs. Jo Ann Stosky, a member of the Hartford Jr. Women's club and a contralto with the St. Louis Civic Opera. She was accompanied by Miss Jackie Schultz.

Mrs. Hill conducted the business meeting and heard reports from the presidents of the Wood River Jr. Women's club, East St. Louis Jr. Women's club and Junior Wednesday Club, the Belleville Jr. Women's club, Hartford Jr. Women's club and the Granite City Jr. Maecenas and Jr. Minerva clubs. Members attending from the Jr. Maecenas were Mrs. Edward Lorton, Mrs. William Dreyer, Mrs. Jim Corbin, Mrs. John Pekarik, Mrs. Richard Yates and Mrs. Roger Grotenfeldt, and those from the Jr. Minerva club were Mrs. Charles Kobi, Mrs. Herb Hensley, Mrs. Stanley Hoffman and Mrs. Frank Kraus.

CUB PACK 22 MEETS

Cub Pack 22 met at Frohardt school Tuesday evening for a monthly meeting conducted by Culmaster George Guika. The pack is sponsored by the Frohardt PTA.

Den Nine gave the opening ceremony and Guika announced that a father-and-son campout will be held June 10 and 11 at Fun Valley, Pacific, Mo.

There are now 48 boys in the pack, and registration is continuing. Guika awarded achievement badges. The committee gave a playlet on "Swampy Peter".

Pinewood derby kits were distributed to the cubs to make cars for the race. Guika announced that the next den mothers' meeting will be held in his home, 3180 Davis avenue, April 17 at 7:30 p.m.

Den Eight had the closing ceremony, and refreshments were served by the den mothers of Dens Three and Five.

CRADLE SHOWER

HONORABLE MRS. STEELE
Mrs. Everett G. Steele, 3304 Wilshire drive, was guest of honor at a cradle shower given Tuesday evening by Mrs. William E. Winter, 3336 Johnson road. The centerpiece, favors and refreshments followed the theme of the shower.

Games were played and prizes were presented to Mrs. Max Imman, Bartlesville, Mo., and Mrs. W. J. Steele, Mrs. Jack Stuart and Mrs. Marilyn Kruecheck, all of Granite City.

Other guests were Mrs. Kenneth Holbert, Mrs. Robert Schaff, Mrs. Henry Diehl, Mrs. Robert Davis and Mrs. A. J. Griffin, all of Granite City. Mrs. Helen Ballestrone, Ferguson, Mo., and Mrs. Lindell Dunbar, Miss Peggy Watson, Mrs. Wilbur King and Mrs. Curtis Robinson, all of St. Louis.

Robert Rowoff Orey returned during the weekend to Northwestern University after spending the spring vacation with his parents, Mr. and Mrs. Andrew G. Orey, 3400 Terrace lane. Orey was named as one of the outstanding juniors for the year of 1960. The awards are based on scholarship and campus activities of juniors who have been of service to the university and are selected by a six-man court, with each campus house electing two students from their house. He also has been elected pledge and named to the committee in charge of commencement exercises set for June 10, 1961, when he will receive his bachelor of science degree.

Lions Told Of Equipment Maintenance At Depot
The Venice Lions club met Monday evening at the Granite City Engineer Depot, with a dinner served to approximately 40 members. There was no business meeting, and Col. Robert T. Williams presided.

Slides were shown regarding the maintenance and storage of equipment at the Army base. A question-and-answer period was held, and Postmaster Charles Simmons was presented with a plaque.

Educational Program For Nurses Offered
The nursing alumnae and nursing service department of St. Elizabeth Hospital will sponsor a continuing education program for all registered and licensed practical nurses in the area, beginning Thursday, April 6.

On the first Thursday of each month programs will be held from 7 to 9 p.m., followed by a business meeting for alumnae members.

The programs are geared to the presentation of practical helps to enable the nurse to give better patient care and should prove helpful to nurses who have been away from nursing for some time, according to Mary Thomas of the hospital staff.

At the initial program Thursday Dr. Edmund R. Thiele, M.D.; Sister M. Teresa, registered nurse; and anesthetist; and Miss Patricia Kemper, registered nurse, will bring nurses up to date with a discussion of the changes in the care of the surgical patient in the past 10 years.

Applications for the program are available at the hospital office. There is no fee for the course, but voluntary contributions will be accepted and used for the expenses of the program and renovation of the south wing of the hospital.

McBride To Speak At JC 'Bosses Night' Banquet
John McBride, vice-president and plant manager of Union Starch and Refining Co., will be principal speaker at the Junior Chamber of Commerce "Bosses Night" banquet at 6:30 p.m. next Wednesday at the Rose Bowl restaurant.

During the annual affair, a distinguished service award will be presented to a Granite Cityan between the ages of 21 and 35 for outstanding community service.

Selection will be made by the Jaycees and a plaque will be awarded. More than 40 members and their employees are expected to attend.

Milk Spilled In Auto-Truck Accident
A charge of making an improper start from a parked position was placed against Erma M. Hood, 26, of Rural Route One, whose auto was involved in an accident with a two-ton truck on the east side of Edison avenue yesterday morning.

Police said she was driving away from the curb and hit the right side of the truck operated west by Anthony M. Zagar, 36, of Troy. The trucker reported that three cases of half-gallon bottles of milk also were damaged in the accident. She posted her driver's license as bond.

Pleadings Innocent
Pleadings of innocent to three charges were entered yesterday by Lester Tackett, 33, of 2017 Missouri avenue, who had been arrested Tuesday evening. He pleaded guilty to a charge of drunkenness filed by police and not guilty to counts of assault, assault and battery and disorderly conduct filed by Billie Tackett. He was released on \$150 bond for a hearing April 12.

HONOR CONFIRMED
Phonetician and Editor Craft, 2432 Edwards street, entertained with a confirmation buffet supper in honor of his daughter, Jeanne Sunday. She was confirmed at the Concordia Lutheran Church.

Present were the honoree, Mrs. Fred Wintner, Mr. and Mrs. Neil Davis Jr., Mr. and Mrs. Gerald Davis, Mr. and Mrs. Nat Davis and children, Julie and Joe, Mrs. Mary Feilner and son, Bob, Mrs. Lou Cotter and son, Earl, and Joe Craft, all of the Quad-City area, and Miss Shirley Story and Mr. and Mrs. Lester Feilner and children, Debbie, Alvin, Larry and Terry, of East St. Louis.

MARCH PACK MEETING
Cub Pack 97 held the March pack meeting Tuesday at the Good Shepherd EUB Church.

Al Ritchey, cubmaster, conducted a business session, and a discussion was held on coming activities. It was decided to take a tour of Lambert Airport for the April meeting.

Games were enjoyed and a singing was held. Den One led the pledge of allegiance to open the meeting and presented the "living circle" at the close. Den Two served refreshments.

SOCIETY

Mrs. Evenden
President Of
Coolidge PTA

Mrs. Valerie Evenden was elected as the next president at a monthly meeting of the Coolidge Junior High PTA held Monday evening in the all-purpose room of the school, with Charles Jungels, president, conducting the meeting.

Jungels led the assembly in the pledge of allegiance and Mrs. Vyvyan Durbin read the PTA prayer.

Richard Polley, chairman of the nominating committee, presented the slate of officers for the 1961-62 year, with Mrs. Evenden elected president. Polley, first vice-president, Richard Hodshire, second vice-president, Mrs. Lois Haynes recording secretary, Mrs. Elva Mae Speland corresponding secretary, David Whitsell treasurer and Jungels, program chairman.

A report was read on the "Institute for Parents" to be held April 7 in Collinsville from 9:30 to 11:30 a.m. It will be repeated the same day in Alton from 1 to 3 p.m.

The PTA membership decided to send the incoming president, Mrs. Evenden, to the Illinois state PTA convention in April with the first vice-president to go as an alternate.

Mrs. Shirley Brown reported on the spring style show held March 16, and a donation was made to the Latin American rhythm group to help it attend the National Music Festival in Columbus, Ohio.

Dick Hodshire, safety chairman of the PTA, introduced Kenneth Graham, a safety supervisor at Granite City Steel Co., who showed a color film on results of car accidents. The sound film explained that speed is the primary cause of accidents and that more people are killed in car accidents than in wars, with greater mutilation.

A report was given by Mrs. Haynes on the legislation council of the Area PTA Council. She attended as a representative of the Coolidge PTA.

Jungels presented a charter with the new name, Coolidge Junior High, to the PTA. This was made necessary with the opening of the Prather Junior high and the dividing of Coolidge and Central into separate PTA units.

Refreshments were served by Mrs. Brown and Mrs. Haynes following the meeting.

WMS Of Gospel Mission Meets

The Woman's Missionary Society of the Gospel Mission met Monday evening in the home of Mrs. Bethel Davis, 2148 State street, superintendent.

Mrs. Alice McQuinn, chairman, called the meeting to order and roll call was answered with names of missionaries.

Devotions were led by Mrs. Frances Jones and after prayer by Mrs. Davis the lesson was presented by Mrs. Kate Schinner.

The topic was "The Holy Spirit." A handkerchief shower for the Bible student in Formosa is sponsoring in Formosa was planned and missionary letters were read from Japan, Korea, the Missionary Alliance Church, Plainville, Ga., Formosa and Minneapolis, Minn.

Refreshments were served by the hostess to Mesdames Jones, Christine Ellert, Schinner, Ann Fowler, Alice Bates, Bonnie Lazenby and a guest, Miss Regina Odum.

The next meeting will be held at the Skinner home, 1926 Russell street, April 24.

Victory Mothers Plan Banquet

Victory Mothers Unit No. 2 held a regular meeting Tuesday evening at the IOOF hall, with the president, Mrs. Minnie King, presiding. After posting of colors and the pledge of allegiance to the flag, led by the sergeant-at-arms, Mrs. Vina Shione, prayer was given by the chaplain, Mrs. Ida Oram.

During a business discussion, it was decided to hold a bakeless bake sale at a later date, and to entertain at the Engineer Depot. A mother-and-daughter banquet is being planned.

Refreshments were served by the hostesses, Mesdames Minnie King, Mollie Kohler, Pearl Giblin and Elizabeth Gebert. Games were played, with prizes awarded.

PARTY FOR JOLLY TWELVE CLUB

Mrs. Stanley Greene was hostess to the Jolly Twelve Club Tuesday in the home of Mrs. C. W. Genard, 1736 Primrose avenue.

Luncheon was served to nine members and at the games following awards were made to Mrs. Genard, the champion, Mrs. Jean Barnes, Mrs. Agatha Sparks, Mrs. Agnes Gaughan and Mrs. H. G. Bertran.

The next meeting will take place in two weeks at the Rose Bowl.

L. J. Benson, 73, Former Resident, Dies

L. J. Benson, 73, Libertyville, Ill., a former resident of Venice, who rose from errand boy to vice-president of the Milwaukee Railroad, was pronounced dead at his Chicago suburban home yesterday.

According to local relatives, Mr. Benson apparently died in his sleep. He was found by his wife, Mary.

Born in Venice, he worked as a baker at a bakery in Madison and went to Milwaukee, Wis., in 1912 to obtain employment with the railroad.

Granite City survivors include three sisters, Mrs. Cecelia Hagauer, Mrs. Mabel Winters and Mrs. Milton Worthen, whose husband is vice-president of the Granite City park board. Funeral services will be conducted at Libertyville and burial will be held there. Arrangements are incomplete.

Fire Destroys Vacant Home Near Mitchell

Fire of unknown origin leveled a vacant farm house one mile from Old Post road at 2:30 a.m. today, causing an estimated \$3500 damage, Mitchell firemen said.

The three-room frame house, owned by the C&E Railroad Co., was leased along with the farm grounds, to Wayne Russell of Wanda. Firemen kept the blaze in check, preventing it from spreading to other buildings.

Several pieces of furniture were destroyed in the fire, including two beds, a dresser and other items.

SIU Fall Scholarship

Deadline Is April 17

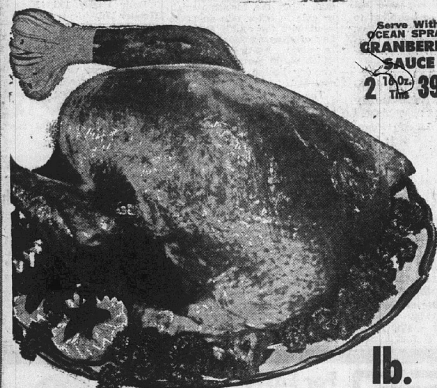

The deadline for filing scholarship applications for the fall semester at Southern Illinois University's southwestern campus is April 17. Student Affairs Director Howard V. Davis announced today.

Filing by that date at either the Alton or East St. Louis residence center offices of student affairs is essential in order that applications may receive consideration at a spring meeting of the scholarship committee, Davis said.

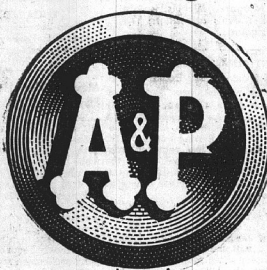

Scholarship applicants must rank in the upper half of their high school graduating class and have at least a "C" average to qualify for consideration.

Davis added that extra-curricular activities, service to the university and financial need of individual applicants are also important factors which will be considered in the making of these awards.

ers, past worthy high priestesses and past watchmen of shepherds who were invited to approach the altar informally.

Miss Friede Michel entered carrying the Bible, and the installing soloist, Miss Edith Smith, sang "Holy Bible, Book Divine" as it was placed upon the altar.

The pledge of allegiance to the flag was given and the assembly sang "God Bless America." Mrs. Marguerite Halyama was at the organ and accompanied both installing soloists, Miss Nightingale and George Schumacher. Mrs. Karmyn Edmonds gave the ode to the flag.

Ted Bourbon, Al Taylor Jr., Warren Nash, Eldon Poole Jr. and Warren Nash served as ushers, and escorts for the installing officers were David John, Virginia John, Max Merz, Eldon Poole, Harry Scruggs and Arthur Gillham.

The Queen's attendants, a Miss Anna Hanon, Katie Padgett and Cecelia Malotki, and William Caris, Delbert McKissick and Frank Jennings are king's court.

There were talks by the incoming and outgoing officers, all of whom expressed their thanks to the fellow officers for their cooperation, and the families of the newly installed worthy high priestess and watchman of shepherds were introduced. Mrs. Bourbon was presented with a bouquet by Mrs. Joyce Powderly on behalf of the Shrine as the soloist sang "The Loveliest Night of the Year." The watchman of shepherds received a boutonniere from his daughter as Emmett Carrher sang an appropriate solo.

After the installation, a feature of which was the DeMolay Nine O'Clock Interpolation, jewels were presented to the outgoing officers by Mrs. Ann L. Mueller and Eldon Poole, past worthy high priestess and past watchman of shepherds, and the past officers formed a circle for the signing of the Bible.

The benediction was given by Rev. Robert Baumann, pastor of St. Peter Evangelical & Reformed Church. A reception was held in the dining room on the first floor of the Temple and refreshments were served.

Mrs. Nell Baskette and Mrs. Ben Henley acted as general chairmen of the installation.

Man, Stricken Here In Physician's Office, Dies

Elliott Pentres, 59, Clinton, Ill., a field instructor of diesel locomotive operation, was stricken with a heart attack and died while being examined at a Veterans physician's office shortly after 4:30 p.m. yesterday.

Employed by the Wabash Railroad, Mr. Pentres had been working in this area for about two weeks. He had resided in living quarters in a railroad car at the Brooklyn roundhouse, a company spokesman said.

His remains were taken from a Madison funeral home to a Clinton funeral home. No inquest is planned.

Salary Increase For Nameoki Town Attorney Proposed

A salary increase for the town attorney was inserted in the proposed 1961-62 budget for Nameoki township which will be submitted to residents of the township for approval during the annual town meeting set for 7:30 p.m. next Tuesday at the new town hall.

Supervisor Harry Briggs called attention to the only change in the budget during a public hearing held last Tuesday evening, attended by about 14 persons.

The proposed budget totals \$70,885, an increase of \$15,175 over last year. The attorney's salary now is proposed at \$2100, an increase of \$600 a year over the present \$1500 fee.

Of the budget total, \$41,125 is for town purposes, \$28,680 for relief and \$10,080 for Illinois Municipal Retirement fund for township employees. The retirement program is subject to approval of the town citizenry during the annual town meeting.

Possible Budget Cut

Briggs said a reduction may be made in the town fund budget in the amounts of \$2400 for a poundmaster and \$1200 for an animal pound.

"There's a possibility," he said, "that the township might be able to enter into an agreement with the county for handling of stray animals, and thus state legislation pending which would permit counties to use dog license fees for rabies control."

The supervisor added that the \$2860 would be insufficient to establish a dog pound and provide for a pound master for the township, and that if the decision is made to proceed with a township program, the budget figures would have to be increased during the annual town meeting.

He estimated that a dog pound would cost the township \$9000 to \$10,000 to build and operate in addition to the salary for a poundmaster. "The voters are to decide," Briggs said.

Briggs also called attention to another item included in the new town fund budget, which was not in last year's. "It amounts to \$4400 and represents the final payment of a judgment against the township, resulting

GCAARC Organizes Cub Scout Pack

Cub Scout Pack Two, was organized last night at the Lake grade school under the auspices of the Granite City Association for Aid To Retarded Children.

Clarence Windsor, neighborhood commissioner, introduced Leo Kaliga, of Pack 129, who gave a short welcoming address to the group, including the boys and their parents. After the talk, Frank Kraus, cubmaster for the pack, was presented with an American flag and a Pack flag, both were the first flags of Pack 122.

B. J. Rogers, assistant district commissioner, also was introduced and spoke briefly, congratulating the group on their efforts in organizing the pack.

Familiar songs were sung under the leadership of Patty Tondre, and William Coyle, president of the Granite City Association for Retarded, and institutional representative of the new Pack. A speaker of the efforts of the local Association and the progress of the group.

Bob Cat pins were presented to four Cub Scouts, Michael Kraus, David Sanders, Phillip Richardson and Grant Pellett. Refreshments were served after the meeting.

economy, Dulgeroff said steel and brick lites might be slightly cheaper but are not being recommended because they would alter the appearance in extending the present buildings. Both additions are to extend toward the back of the sites, he added.

Discuss Basement shelters. Noting that schools used to contain basements available in the event of a storm or other need, Board Member Herbert Bischoff suggested that the additional cost be determined. Secretary Howard Kaseberg agreed, basing on the availability of the basement and the cost of the shelter.

It was decided to leave the addition plans unchanged, due to time and cost factors, but to give further thought to the possibility of basements in future school projects.

Informal cost estimates indicated that basements could not be included in the additions with funds on hand for this summer. Gabriel said the American Institute of Architects is distributing data to its members on shelters for homes and other buildings.

Bus Route Extensions Are Effective Monday

A 90-day trial extension of bus service into the Glenview and Bellemore areas will be effected by Community Coach Co. beginning Monday morning. The extended service, ordered by the Illinois Commerce Commission, will include the Glenview, Westchester, Nanticoke Terrace, Gorge Addition, Holiday Gardens, Maryland Heights and Dream Villa subdivisions.

Service on the Glenview extension will be provided at 30-minute intervals from 6:16 to 6:46 a.m. and from 3:25 to 3:55 p.m. The Bellemore extension service will be effective at 40-minute intervals from 6:28 to 6:58 a.m. and from 3:38 to 3:44 p.m.

The added service will be available Monday through Friday, with fares 20 cents for adults and 10 cents for children. The extensions are being put into operation by Community Coach Co. following the submitting of petitions requesting the service by residents of the areas. If at the end of the 90-day trial period the company fails to pay operating expenses of the extensions, the service may be discontinued.

School Insurance Cost Reduction Study Proceeding

Reductions in the overall cost of school insurance may be possible as a result of a study currently being made by the School Insurance Committee of the Granite City Insurance Exchange, it was reported at Tuesday night's Granite City school board meeting.

Noting that "you are doubtless wondering what has happened to our school insurance committee and its long-awaited report," J. W. Seneff, committee spokesman, said in a letter to the board that "we have had numerous meetings of our own committee and other meetings with the Insurance Bureau and with various company men, and have finally gotten our own thinking and planning in agreement."

"We expect to be able to report to you quite soon on a completed schedule, showing all of the details of the coverage, including amount, to be written by each agency. I am sorry that I cannot give you a definite date but . . . it will certainly be before the end of your fiscal year."

He added that he hopes "the final results will be so good that they

will be forgiven" for the time taken.

Delay Part of Payments. The board has been paying only 60% of the amount of recent insurance bills with the expectation that some may be lowered by a new program. Noting that the committee was asked to study the coverage last July, Board President Homer Huber recommended continuation of the 60% payment procedure after saying it might be possible to speed the report by withholding all payments.

A payment of \$352 spread among 16 insurance agencies on the Prather junior high policy was approved. It is for the year beginning Feb. 4, 1961.

Acting on the recommendation of Supt. Harold M. Kaiser and representatives of the Granite City High School Band Parents' Association, the board voted to order 15 additional band uniforms at \$51 each.

Retain Present Band Uniform. Present blue uniforms with red and gold trim were modeled by students and it was reported that the band and parents preferred to retain the same color and design. It was noted that the coats for added color at such events as football games, and that more uniform decorations could be added in the future.

Band parents said alteration of uniforms is done frequently to accommodate

students of various sizes, and that the existing uniforms have proven to be a type that can be altered without loss of neat appearance. The board said with- hold ordering of the extra uniforms until determining whether to change the color and style.

The board voted to hire William Lee Adams, 2817 Ralph street, as a chauffeur effective next Monday, replacing Luther Paul, who has resigned. A 41-minute executive session was held as board members reviewed 11 applications for the position.

Resignation of Mrs. Judith M. Jones as GCHS home economics teacher effective June 9 was accepted. Her husband is being transferred from this area.

The board authorized attendance by Special Education Director Harold Thomas at an annual special education meeting April 3-6 in Detroit and by Administrative Assistant Victor Anderson at a yearly conference of the Illinois Association of School Business Officials May 5-6 in Peoria.

Robert Hall and Ralph Erickson, candidates for the school board, attended the meeting.

Questions Posed On County Fund Investment

Committee study on investment of idle county funds for interest revenue will be continued, it was decided Tuesday during a meeting at Edwardsville.

To be studied further is a question posed at Tuesday's meeting by County Treasurer Daniel W. McGee as to his liability if the idle fund balances were invested and there would be a loss on the investments.

A legal opinion was given that it is a constitutional fee of five and that the board of supervisors has no control over the funds held by the treasurer, and there were questions on whether statutes specifically give the county treasurer authority to invest funds in his charge during periods before the money is disbursed.

Recommendation for investment of idle funds to provide added income through interest was proposed by County Auditor John L. Krayak during a recent meeting of the county board, and the matter was referred to the board's Finance committee.

No date was set for another meeting of the committee.

10-Year-Old Autos Are To Be Assessed

A resolution aimed at eliminating assessment of automobiles more than 10 years old, was defeated 13 to 6 during the annual meeting of the Madison county assessors at the court house in Edwardsville Monday.

Proponents for the measure argued evaluation of the autos is not equitable since the vehicles do not appear in the "blue book," an auto price guide. Arguments against the issue pointed out that value of some of the older cars which might be considered valuable as collectors items would produce revenue which would be bypassed if the issue passed.

A proposed schedule for placing an assessed valuation this spring on automobiles, trucks, farm machinery and other items of personal property assessment was adopted unanimously by the group which also added eight new American-made compact cars to the list.

Recommended assessor values on autos listed in the schedule adopted are in line with figures for the previous year with the inclusion of 1961 models. The 1960 evaluation was 60% of market value on cars.

Personal property assessment is to begin Saturday, it was announced.

**City Bills, Half-Month
Salaries Total \$45,031**

Bills and half-month salaries
approved Monday night by Gran-
ite City council members totaled
\$45,031, of which \$34,946 for sal-
aries for the last half of March
and \$10,085 for current bills.

Largest item on the bill list
was \$6000 paid to National Power
and Light Corp. of Chicago for
cleaning 1650 feet of the 20th
street sewer line; and there was
a payment of \$500 to Atty. Fred
P. Schuman for special services
in connection with the Nameoki
sanitary sewer system from Aug.
29, 1959, to April 1, 1961.

New city motor vehicle license
stickers, numbering 12,000 for
autos, \$50 for trucks, 400 for dis-
tributors and 100 for service
cars, were purchased for 1961-62
at a cost of \$422; and the city
purchased a 1957 truck at a cost
of \$1100.

Maintenance of city equipment
cost \$749.

Allowances included in the bill
list were \$30 payments to Alder-
men Steve Basarich, Robert
Gaughan, Walter Nunn, Samuel
Shuckelford and Mrs. Gabrielle
Bretzke. There also was a \$50
expense allowance for Civil De-
fense Deputy Victor Koenig, and
\$75 for CD Director George
Schumacher for his auto and for
attendance by two men at a
briefing for the National Civil
Defense Exercise, held at Spring-
field last week.

**Explorers Registering
For Regional Meeting**

Names of the first 12 explorers
registered for the Region Seven
explorer delegate conference May
5-7 at the Great Lakes, Ill., Na-
val Training Center were an-
nounced this week by Richard
Wohlshlag, Cahokia Mound
Council explorer planning chair-
man.

Explorer Ken Berry of Niede-
rghaus Methodist Church Post
10 will lead the council's dele-
gation. He has been chosen as one
of 11 youths in the entire region
to serve on the delegate com-
mittee, which is responsible for
the conference program.

Included on the program will
be such speakers as the captain
of the Nautilus atomic subma-
rine; J. Edgar Hoover, director
of the Federal Bureau of Inves-
tigation; H. Roe Barile, mayor of
Kansas City and former 30-year
scout executive; and Jesse
Owens, former Olympic cham-
pion and member of the Illinois
Youth Commission.

Over 4000 explorers are being
selected from the 84 councils in
Illinois, Michigan, Indiana and
Wisconsin.

Those registered along with
Berry are the Unishaw district,
delegate Russell Martz; Mike Sol-
enberg and Tom Bickhaus of St.
Elizabeth Church Post 13; Mike
Gavin and Al Lenz of Sacred
Heart Post 18; Jim Theis and Tom
Coe of A. O. Smith Corp. Post 98;
William Bester and Phillip Tem-
pel of Concordia Lutheran Post
Six; and Richard Small and Tom
Lewis of Edwardsville Post 30.

Granite City Steel Post 94 has
reserved two other places, but
there is still room for more, since
the council is providing a 40-pas-
senger bus. The reservation dead-
line has been set for tomorrow.

Kiwanians, Bow Line Boat Club Will Sponsor Outboard Motor Boat Races

Outboard motor boat races, sponsored jointly by the Granite City Bow Line Boat Club and the Granite City Kiwanis Club, will be held July 30 on the Mississippi River at the mouth of the Hartford Canal, it was decided at a meeting Monday at the Elks club.

Hydroplane and runabout craft will enter in five classifications of motor sizes. William Seebold, member of the Kiwanis club and boat club committee chairman, said.

Seebold said that more than 200 boats are expected to run in the competition on the one-mile round course. He reported that each boat will make five laps in a heat. More than \$1000 in prize money will be awarded, he said.

Speeds, Motor Sizes

A nationally known racer, Seebold explained that motor classifications will be A, B, C, D and F. A is 15-cubic-inch size; B, 20 cubic inches; C, 30; D, 40; and F, 60. Speeds range from 67 miles an hour in the A class to 85 in the F class.

Local racers expecting to enter the competition include Seebold; his son, William Seebold, Jr.; and Paul Bogosian and Robert McFarland.

Tickets will go on sale in the near future, and parking facilities will be provided riverside to accommodate more than 1000 automobiles. Seebold, judging from racing popularity in this area, said that over 5000 persons are expected to attend.

The race, sanctioned by the National Outboard Association, Nashville, Tenn., is the first to be sponsored in a local joint effort. Seebold pointed out.

Seebold and his son brought home first prize money in February by winning hydroplane and runabout races in a Lakeland, Fla., meet.

Serving on the committee with Seebold will be Robert McFarland, Earl Gates and Dr. L. H. Hall. The Kiwanis club committee is headed by Wilbur Waggoner and is composed of Seebold, H. R. Schannott and Raymond Horn.

The boat club, with more than 100 local members, is located at the Hartford canal. Henry Thomas, Robert Yount and Ivan Northcutt, members of the club, attended the meeting.

Bowland Schlitz At Home To SIBPA Keglers Saturday

With only 5 1/2 games separating second-place Bowland Schlitz and sixth-place Rusty's of Wood River, the race for playoff berths in the Southern Illinois Bowling Proprietors Association Classic league will tighten up as the loop moves to the Bowland lanes for its regular Saturday session, beginning at 7 p.m.

Alton's Falstaffs, well on the way to their third title in three years, will meet Loman's Bowlers Shop of East St. Louis, while host Schlitz will roll against Pepsi-Cola of East Alton. The Falstaffs are six games ahead of Schlitz.

Other pairings are Rusty's vs. Black Label Beer of Belleville and Ripley Bowling Pins of O'Fallon vs. Revere Room Club of Collinsville. The top four teams at the end of the regular season qualify for the post-season roll-offs.

As a team, the Schlitz entry is averaging 976 pins per session. Individual averages are as follows: Jim Vrenick 205, Max LeGate 198, Nick Lombardi and Ray Hoffman 195, and Jim Berry and George Wolfe, 180.

The team standings, with won-loss records and averages: Falstaff 52 1/2-28 1/2, 990; Bowland Schlitz 46 1/2-34 1/2, 976; Revere Room 44-40, 969; Ripley Pins 43-38, 971; Black Label 42-42, 971; Rusty's 41-43, 969; Loman's 36 1/2-47 1/2, 948; and Pepsi-Cola 24 1/2-56 1/2, 938.

WHY AM I A CANDIDATE FOR MAYOR? BECAUSE:

I believe in Granite City. My home and my business are in Granite City—and most important, I have three sons whose future, I hope, will be in Granite City.

I am serving my fourth consecutive term as alderman of the fourth ward. In the last election I received 76% of the votes cast in the fourth ward—so I feel the people I represent have confidence in me.

I believe in the dignity of labor—whether with head or hand; that the world owes no man a living, but that it does owe every man an opportunity to make a living. I believe in the sacredness of a promise—that a man's word should be as good as his bond; that character—not wealth, power or position is of supreme worth. Thrift is essential to well ordered living and that economy is the main item of a sound financial structure, whether in government, business or personal affairs. Before you can improve anything you must know something about what you are trying to improve.

If elected, I will be a full time mayor—Granite City needs and deserves a full time mayor. My eldest son Don Partney, Jr., will take over my business, if I am successful on April 4th.

I am not affiliated with, nor supported by any political or pressure group. If elected, I will work for the interest and well-being of every citizen. I believe that all appointments should be filled with well qualified people, after the election, when thought can be given to each appointment made. I believe that Granite City people should be given Granite City jobs. I firmly believe the city engineer should be on a salary basis, not on a percentage basis—that all city inspectors should be under his direction and he should in turn report to the city council and mayor.

I will see that we provide an adequate training program for both our police and fire departments. This will help get lower fire insurance rates and bring about better, safer control of traffic. I will follow Triple A's recommendation of providing adult school crossing guards and proper marking of school crossings.

I believe in economy in city administration. This can be done by cooperation with all taxing bodies—we all pay our bills out of the same pocket—yours and mine.

I will continue to work to bring new industries and better highways in and around Granite City. I will work with new and old industries to hire local people first if it is at all possible. I will not be a slave to any political group or outside interest.

I hope each and every citizen will give our coming election a lot of thought and will exercise their right to vote—our city government is as good as the people demand it be.

I feel that I am qualified by experience to be your mayor. I am dependable; I will accept responsibilities and have the determination to stand on my own convictions. I will welcome and encourage your thoughts and ideas.

This is your town and mine—I do not believe you will be misled by political double talk by one of the candidates, who has never served his city government, even in a volunteer citizen capacity, nor has he attended council meetings, nor will you believe the vicious propaganda contrived by him and his backers who would turn our city from the path of progress.

The people of Granite City have been good to me, and my family, and if elected for mayor, I will repay this in service and good government.

Optimists See Film On Artificial Respiration

A film demonstrating proper use of the mouth-to-mouth method of artificial respiration was shown at the Twilight Optimist Club meeting Monday at the Rose Bowl restaurant.

Entitled "That They May Live," the movie emphasized the method which has recently come into prominent use for choking, drowning and accident victims.

The film pointed out that the method was originated in the Civil War period, but had been replaced through the years by the pump type method. The film was made available by Illinois Power Co.

In the business session, the club voted to donate \$150 to the Granite City Scholarship Foundation, and selected a nominating committee to appoint two candidates for offices expiring in April.

George England was named chairman of the committee which includes Harold Matson, Theodore Overbeck, Barry Lohman and Arthur Conary. Charles Meyers is current president.

Twelve members attended the meeting. The April 10 session will be held at the Granite City Engineer Dept. Officers' Club.

Shaver has had years of experience as a pastor and is now devoting full time work to evangelism. He is a member of Bellevue Baptist Church in Memphis and is highly recommended by his pastor, Dr. Ramsey Pollard, president of the Southern Baptist convention. The services will begin at 7:30 each evening. During the week preceding the revival the church will meet in classes to study visitation. There will also be prayer meetings.

Infant Swallows Cleaning Fluid; Treated, Released

Linda Novos, year-old daughter of Mr. and Mrs. Nick Novos, 824 Washington avenue, Madison, accidentally swallowed a small quantity of fluid disinfectant at her home Monday afternoon. A stomach lavage at St. Elizabeth Hospital. She was released after treatment at 7:20 p.m.

Val Shumonia, eight-year-old son of Mr. and Mrs. Milan Shumonia, 2740 Dale avenue, required seven stitches to close a cut on his forehead suffered while playing at his home Monday.

William Young, two-year-old son of Mr. and Mrs. Edward Young, 665 Chouteau avenue, fell at his home Monday sustaining a cut on his lower lip. Two stitches were taken.

Patricia Jones, nine-year-old daughter of Mr. and Mrs. John Jones, Bend road, received two stitches on her right thigh when she fell from a cycle at 6:45 p.m. Monday.

Philip Davis, nine-year-old son of Mr. and Mrs. William Davis, 2340 Aubrey avenue, received face x-rays and a clamp stitch on his lower lip when he fell from a bike at his home at 6 p.m. Monday.

Marine Corps Enlistees Home On Basic Leave

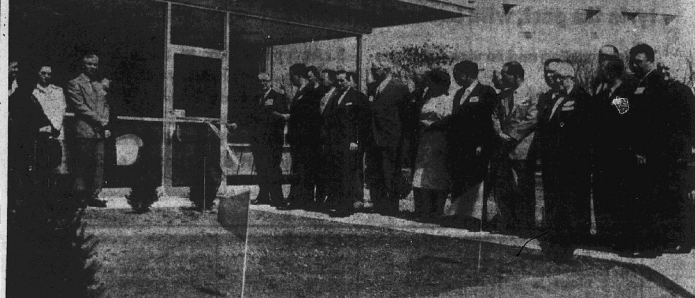

Two brothers who enlisted in the U. S. Marine Corps and took basic and advanced combat training together are currently spending leaves in the home of their parents here.

They are Denny Martin, 17, and Larry Martin, 19, sons of Mr. and Mrs. Lee Martin of 2118 Iowa street. The younger brother departs April 14 for Memphis, Tenn., where he will attend the Marine Corps naval air technical school. The older brother leaves April 1 for San Diego, Calif., to begin military police training.

The brothers enlisted in October, and completed their basic training at the San Diego center.

Truck-Auto Accident

A truck being operated at 17th street and Grand avenue by Albert E. Kirkwood, 46, of Bunker Hill, struck a parked car belonging to Vernon Edward Peterson, 21, of 2404 Grand avenue, Monday afternoon. Police said the trucker was making a right turn off 17th street onto Grand avenue when the right rear tire of the truck hit the left front fender on the parked car.

GRAND OPENING held this week for the new \$45,000 building of Third street and McCormick avenue, Madison, for Nickel Plate Cleveland Federal Credit Union. Shown above is Madison City Clerk Percy Lux cutting the ribbon to signify the open house which was attended by 250 persons.

Church Group Plans Cemetery Restoration

The Senior Youth Fellowship organization of St. John United Church of Christ will undertake a restoration project on what is reported to be the oldest cemetery in the Quad-Cities area, Thom's Kolesa, advisor for the group said today.

The group, composed of 35 members, plans a field day beginning at 10 a.m. April 8 to "put the cemetery in shape for spring and Decoration Day." Kolesa said. Memorial day services may be held there.

The cemetery, located just north of the A. O. Smith Corp. plant and along an unimproved road, is more than 100 years old and some grave stones bear inscriptions of deaths in the early 1800s, the advisor related.

Meanwhile, the group is seeking historical data on the burial ground and believes early settlers may be interred there.

Kolesa has urged persons who have "news clippings, historical papers or any records that may exist," to contact him.

The cemetery, according to Kolesa, has not been maintained for more than two decades and thick brush and trees will have to be removed. The group has been assured by some residents living in the area of the cemetery that regular maintenance be performed after the group completes its project.

Corp's, Inc., Acquires 31 Southern Stores

Corp's, Inc., operators of department stores throughout Illinois and Missouri, including a local store at 1305 Nineteenth street, have announced the purchase of 31 department stores from the H. L. Green Co.

The new stores are located in Alabama, Florida, Louisiana, Mississippi and Georgia. This newest acquisition brings the total number of Corp's stores to 65.

Mr. Bernard Corp, president of the firm, made the announcement from the firm's St. Louis office.

Drive Begins Monday

Concert Association Sets Membership Goal At 900

The Tri-City Community Concert Association's annual membership drive, with the goal this season set at some 900 members, will begin officially on Monday night with a dinner at St. John Lutheran Church, 2301 St. Clair avenue, beginning at 6:30 p.m.

Speakers at the banquet will be Henry D. Karandjoff, chairman of the board of the Granite City Trust and Savings Bank and the American National Bank, and Mrs. Margaret Warwick, concert association representative from New York who will address dinner guests and confer with workers and trustees of the local association.

The invocation will be given by Rev. Samuel Boda, pastor of St. John, and the dinner will be served by the ladies of the church.

Featured on the program will be a performance by the Coolidge Junior high school rhythm ensemble, which is directed by CO association president Robert D. Todoroff and will appear at the National Music Educators' conference in Columbus, O., on April 8.

Mrs. Albert Froelthing, dinner chairman, said all campaign workers will be invited to attend the membership kickoff, and other persons who wish to work with the group but have not been contacted may receive assignments and dinner reservations by contacting Mrs. Evan Griffiths, membership drive general chairman.

The \$7 concert association membership fee (\$5 for students) entitles members to attendance at a minimum of three local concerts sponsored by the association each season. Last year five were presented here.

The funds raised by the nonprofit organization determine the number of concerts which they are able to schedule in any one season. Todoroff said. The Ne-

braska Chamber Orchestra will appear here as the highlight of the 1961-62 season.

Association members may avail themselves of as many as 15 or 16 concerts each season through local membership, since the Tri-City Community Concert Association has reciprocating agreements with similar groups in Alton, Webster Groves and Belleville.

Members of the local association may attend concerts sponsored by any and all of the other three groups at no extra charge.

Rain Or Shine, Mitchell Street Sign Project Set

Erection of the new Mitchell street signs will begin Saturday, regardless of weather conditions, the Mitchell Kiwanis Club voted in a meeting Monday night at Smith Cafe.

A total of 112 reflector-type signs will be mounted on 28 tubular posts. Each post will bear four signs. A tractor drilling device will be used to make the holes and concrete will be poured in them before inserting the posts.

The project is expected to be completed within a week and will be undertaken in the spare time of club members.

In other action, the club set 5 p.m. as the starting time for the poster contest which will be held April 15 at the Parish Hall, Mitchell.

Also, two members reported they will attend the Kiwanis International convention at Toronto, Canada, on July 2. Making the trip by automobile will be Thomas Smith, president, and Roy H. Green, a new member, and their wives.

Eleven members were present at the meeting.

Hamilton Is Speaker For Collinsville Lions Club

James L. Hamilton Jr., executive vice-president and general sales manager of Granite City Steel Co., was guest speaker for the Collinsville Lions Club last night.

His topic was "The New Image in Steel" in which he described steel industry efforts to create new designs and uses for steel to meet the challenge presented by competing materials such as plastics, aluminum and wood.

Hamilton is a member of a special American Iron and Steel Institute committee to promote the use of steel.

The \$7 concert association membership fee (\$5 for students) entitles members to attendance at a minimum of three local concerts sponsored by the association each season. Last year five were presented here.

The funds raised by the nonprofit organization determine the number of concerts which they are able to schedule in any one season. Todoroff said. The Ne-

braska Chamber Orchestra will appear here as the highlight of the 1961-62 season.

Association members may avail themselves of as many as 15 or 16 concerts each season through local membership, since the Tri-City Community Concert Association has reciprocating agreements with similar groups in Alton, Webster Groves and Belleville.

Members of the local association may attend concerts sponsored by any and all of the other three groups at no extra charge.

Fines Collected In GC Last Month Totaled \$1001

Fines assessed and collected in Granite City during February amounted to \$1001, according to a report submitted to the city council Monday night by Police Magistrate Andrew Gasparovic.

Of the total, \$799 was for 71 ordinance violations and \$222 for 23 other law infractions.

FLUORIDATION . . .

The Board of Directors of our Tri-City Chamber of Commerce has endorsed the fluoridation of the public water supply for Granite City. This endorsement of mass medication of our citizens was issued on the recommendation of a committee of Health (?). It should be pointed out that the members of the Chamber of Commerce who reside in Granite City were not polled on this question of fluoridation. Therefore, it is a fact that those directors who were present and did vote in favor of mass medication are speaking only for themselves - and for no one else.

I maintain that it is an unconstitutional invasion of our civil rights to force anyone to drink liquid rat poison by ordinance. Parents who have been convinced that liquid rat poison is a nutritious and invigorating beverage for their children to consume, may acquire sodium fluoride tablets from their druggists for a very nominal sum.

The numerous service clubs of our community will be glad to aid those families who are unable to afford this low cost treatment. It is even possible that the trustful Dental Society might aid some of the families whose budget might not reach quite far enough to include sodium fluoride tablets for the whole family.

I am unable to drink fluoridated water or to eat food that has been cooked in it. Dumping rat poison in our public water supply will restrict very much some of my present activities. The several dinner meetings which it has been my habit to attend regularly, I will have to forego. The same restriction will apply, of course, to dinner invitations I receive, from time to time, from relatives and friends. Is it any wonder that I resent proposals to fluoridate our public water supply when it will place so many restrictions upon my personal freedom? I firmly believe that mass medication for any purpose is unconstitutional.

Tonight at the Granite City High School auditorium, at 7:30 p.m. Judge Lewis Hicks will be speaking on the subject of water fluoridation and its effect upon our civil subject of water fluoridation and its effect upon our civil in this subject should be there.

Institutes On April 7 For Teachers, Parents

Institutes for teachers and for parents are being planned for Friday, April 7, in Madison county, County Supt. Wilbur R. L. Trimpe has announced.

Classes will be discontinued that day due to the annual training program for teachers. In addition, Trimpe has arranged a half-day institute for parents interested in studying how to evaluate a school, what a parent should know about the school and how to conduct a parent-teacher conference on problems arising between the home and school.

The meeting will be held from 9:30 to 11:30 a.m. April 7 at the Webster junior high school library, Collinsville, and will be repeated from 1 to 3 p.m. at the Alton high school annex gym.

Dr. Lowell Fisher, chairman of the Illinois committee of the North Central Association, will discuss "Teachers and Parents Meeting: The Educational Challenge of Today" and Dr. Robert Zeller, guidance consultant in the state superintendent's office, will talk on "The School Survey on Drop-Outs." A question period will follow. Dr. Fisher spoke at the Granite City high school graduation program in January.

Two School Holidays

With the dismissal on April 7, there will be only three days of school next week. Schools closed this afternoon for the Easter vacation, with holidays on both Good Friday tomorrow and Easter Monday, April 3.

Six-week grade periods will end April 14 in the Madison and Venice school districts and April 21 in the Granite City district. This will mark the end of the first two-thirds of the spring semester.

The April schedule at Granite City high school includes state speech competition April 7 and 8, the senior class play April 13 and 14, a spring festival April 15, state music judging April 22, the annual Masque and Gavel Society trip April 24 and a state student council meeting April 28 and 29.

The month's Parent-Teacher Association meeting schedule includes April 6 at Lake school; April 10 at Washington and Webster; April 11 at Emerson; April 13 at Mitchell; April 17 at Marshall; April 18 at Frohert; McKinley, Maryville and Nameoki; April 20 at Logan, Stallings and Wilson; April 24 at Cook; April 25 at high; and April 25 at Niedringhaus school.

Madison, Venice Plans

Madison high school has planned a talent show for April 7 and a student assembly program for April 11, while Dunbar school will hold a PTA meeting April 12 and a "Miss Madison" talent show April 21.

Mothers' Club meetings have been scheduled for April 4 at Blair grade school and April 12 at the Harris and Louis Beer schools in Madison.

Venice students are to participate in a district grade solo and ensemble music contest April 8 and a district high school solo and ensemble meet April 15. The state grade band contest is listed for April 22 and the state grade solo and ensemble judging April 29.

The annual senior play is planned for April 21 at Venice high school.

Lincoln high school plans a home economics department fashion show April 7, an industrial arts display the same day, a band music festival April 19 and the senior class play April 28.

Madison Plans

SCHOLARSHIP AWARD WINNER, Miss Linda Sue Markuly, a daughter of Mr. and Mrs. Pando Markuly of Belleville, formerly of Madison, who has been awarded a scholarship in the amount of \$750 from George Penabody College for Teachers in Nashville, Tenn., for study during the 1961-62 academic year. A senior at Lindenwood College, St. Charles, Mo., Miss Markuly will receive her A.B. degree in art and will do graduate work in the field of art education.

Brief Session

Street Complaints Heard During Council Meeting

A wide variety of about 100 items, including complaints on street conditions, delay in sewer repairs and routine affairs, was handled in an abbreviated, one-hour session of the Granite City council Monday night.

Residents along Ridgeway avenue, present for the council session, were permitted to speak to the assembled members after adjournment and complained of the condition of the street between Edwards and East 23rd street. One woman said she had to call a tow truck to free her car from a mudhole in front of her home last week.

The residents said they had watched other streets in the area be improved with curbs and all-weather surfaces and wanted the same for Ridgeway avenue which is heavily traveled by persons living in Kirkpatrick Homes.

Sixth Ward Alderman Casner Skubish said Ridgeway avenue runs along the side of his home and he is aware of its condition. He said it eventually would be improved, and that he had included it in streets to be improved under a proposed motor fuel tax bond issue program which had been voted down about two years ago.

No action was taken by the council.

Uncovered Catch Basins

Alderman Emerald D'a we asked for city action to require a subdivision to place covers on catchbasins along a street in the Briarcliff subdivision. He said children were playing in the area and one had fallen into one of the shallow basins. He explained there were no houses along the street.

City Atty. William Beatty replied that the street was private property and

had not yet been dedicated to the city. He added that it was unlikely the city could order the basins to be covered.

A letter was received from Reliable Loan Co. that pedestrians were complaining at the company office concerning lack of drainage on the southeast corner of 19th and State streets. "They are complaining to us because the situation is in front of our office," the letter stated. Council members replied that the problem would be corrected under the Master Sewer & Drainage program.

Alderman Estill Von Scholtz criticized a delay in the city of Clyde Stages, who have just reline between Omaha and Iowa streets, saying that if the project is further delayed, the city might have to go to the expense of having the line cleaned again.

He was answered by Alderman Samuel Whitmer, chairman of the Street and Alley committee, who said he had conferred the day with members of the repair crew and the work of relining the 21-inch pipe should be started next week.

Water Problem In Sewer

"They have a water problem," Whitmer said. "It seems there are two inlets into the line instead of one and it is necessary to operate about five pumps all well as to build bulkheads and pump holes. Once they get started, they'll work around the clock until the job is done."

Approved by the council was a \$2000 liquor bond for Vito M. Vandergriff, former operator of the Home of the Blues tavern, to take over Dick & Edith's tavern at 16th street and Cleveland Blvd.

Permission will be sought from the state highway department to install stop signs on Namecki road at Ferning avenue to provide a crosswalk, and a request was made for a no-parking zone on the north side of Niedeckhaus avenue in front of Branding Service station.

A resolution was adopted for installation of two fire hydrants in the first addition to Dream Villa subdivision, and another resolution, submitted by Joseph Weston, service officer for the Illinois Veterans Commission, was approved and will be sent to local area state representatives and senators, asking for the VTC services to be resumed in the Quad-City area.

Driveway, Downtown Meeting

Permission was granted to Air Products, Inc. to install a 44-foot section of depressed curb at its main gate, 2220 Monroe street; for the Madison County Baptist Association to hold a religious street meeting in the downtown district either Friday or Saturday and for mayor candidate, Alderman Donald Partey, to hold a parade on Saturday.

A request was made by Alderman Mrs. Gabrielle Bettnec for the mayor to present a "key to the city" to Gov. Otto Kerner on April 19, when he will be guest speaker at a public affairs banquet sponsored by the Quad-City Business & Professional Women's Club.

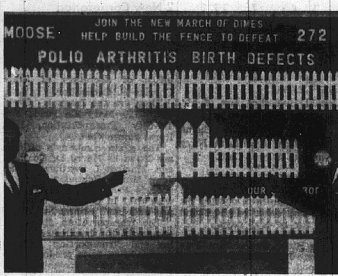

Discussed briefly were leaks at downspouts within the city hall building. It was reported the contractor who recently installed a \$6000 new roof is being asked to consider the repairs to the spouts.

An item on file was a letter from the U. S. Conference of Mayors inviting council members to attend an annual convention to be held June 11-14 at Washington, D. C., featuring President John F. Kennedy as a speaker.

Miss McManaway Wins Baptist Speech Meet

Miss Nancy McManaway of Madison is eligible to participate in the district Baptist Young People's Speakers Tournament at Vandalia, Ill., on April 23, according to an announcement today by Mrs. Maxine Dacus, Madison County Association young people's director.

Miss McManaway, winner in the recent county competition at Suburban Baptist Church, has as her subject, "Transformed to Serve Christ."

Official Dimes Drive Tabulation Is \$8081

Official tabulations of the 1961 "New March of Dimes Drive," which in January, totaled \$8081, according to a report released today by Mrs. Roberta Lambert, campaign director.

The report showed the Mothers' March netted \$3785; school cards, \$1818; teenage activities, \$339; clubs, \$280; and business contributions, \$400.

In addition, fund raising projects by Moose Lodge 272 yielded \$600 and \$559 was received from miscellaneous sources. The Moose Club distributed coin containers in Granite City and Mitchell, held a benefit dance and conducted a fence drive.

Elected Chorister

Rogers Davis, a daughter of Mr. and Mrs. Roger H. Davis, 623 Jefferson avenue, Venice, has been elected chorister for Delta Omicron sorority at Illinois Wesleyan University in Bloomington where she is a graduate music student. Delta Omicron is a national professional music sorority for women.

Dr. Berman To Speak On Rheumatic Fever

Dr. Benjamin B. Berman, local pediatrician, will speak to southern Illinois nurses on "The Child with Rheumatic Fever" at an institute for nurses on the care of cardio-vascular patients at Abel Hall in Alton on April 27, it was announced today by the Illinois Heart Association and the planning committee for the institute.

Dr. Berman, who is a well-known pediatrician in southern Illinois, is a graduate of Washington University School of Medicine. He is a Fellow of the American Academy of Pediatricians, licensed by the American Board of Pediatrics to specialize in pediatrics, and he also is a member of the honor medical society, Alpha Omega Alpha.

He received a citation in 1947 from the governor of Illinois for meritorious service in the Armed Forces during world war II, and received the distinguished service award in 1949 from the American Heart Association for his many years of service on the local, state and national levels in heart work.

Dr. Berman has practiced medicine in Granite City for the past several years.

Catholic Retreat For Boy Scouts April 21-23

The Cahokia Mount Council, Boy Scouts of America, will hold its first retreat for Boy Scouts of the Catholic faith on the weekend of April 21-23 at the fairgrounds in Highland. Dr. Leo Coleman, chairman, has announced.

"The spiritual retreat will begin at 5 to 7 p.m. Friday, April 21, and continue until noon Sunday, April 23. Parents of scouts and other visitors will be permitted only at the high mass on April 23. Registration blanks and fees are due at the council office by April 14.

Rev. Donald Meehling will be retreatmaster and Rev. Robert Meyer and Rev. Charles Mulcrone will serve as spiritual co-ordinators. Burrell Petry is co-chairman, and co-ordinators are Sidney Brauns, Ralph Long, Al Balma, Robert Ruff and Leo Holbrook.

Two Union Good Friday Services In Downtown Area

The annual Good Friday noon-day services will be held downtown with churches throughout the area participating.

The Lutheran Bureau service will be at the Washington Theatre starting at 12:10 p.m. and the service sponsored by the Tri-City Ministerial Association will take place at Niedringhaus Memorial Methodist Church starting at noon.

Rev. Alfred Buis, pastor of Hope Lutheran Church, will be the featured speaker at the Lutheran services. His theme will be "willing to Die," and his presentation will be based on Romans 5:8. Leading the worshippers in prayer and pronouncing the benediction will be Pastor Arvin Twietmeyer of Concordia Lutheran.

Music in harmony with the solemn mood of the occasion will be offered by the Senior Choir of St. John Lutheran, Pastor Samuel Boda directing. The choir will sing the first chorale from J. S. Bach's setting of "The Passion According to St. Matthew" as the prelude. This chorale is entitled "O Blessed Jesus, How Hast Thou Offended."

During the course of the 20-minute worship service, which will be held from 12:10 to 12:30, the choir will sing a second chorale from the same Passion by Bach, "The Sorrows Thine Have Borne." Accompanying the choir and worshiper at the organ will be Mrs. Joseph Cell, organist at St. John Lutheran church. A visual presentation of the Lord's Passion will be shown on the screen in color prior to the service. It will be under the supervision of Henry Ameling. The Ministerial Association sponsored service will have Dr. Harold Daniels of Springfield as

speaker. His topic will be "The Power of The Cross."

Dr. Daniels has for several years been one of the most successful pastors in the Church of the Nazarene, having served in pastorates in Nebraska, Kentucky, New Mexico and Arizona. At present he is serving as district superintendent of the Illinois District, one of the larger districts of the church.

Ministers from churches throughout the Quad-Cities will participate in the joint services. The speaker will be introduced by Rev. Paul Evans, pastor of First Assembly of God Church and president of the Ministerial Association. Both services are open to the public.

CJHS Rhythm Ensemble, Band Play Before 1200

An overflow audience of some 1200 persons attended a benefit concert given Tuesday night in the Granite City high school auditorium by the Coolidge Junior high school concert band, rhythm ensemble, and an experimental rhythm group.

The concert, directed by Robert D. Todoroff, was staged to help raise funds to finance the rhythm ensemble's trip to Columbus, O., for an appearance at the Music Educators National Conference there April 8.

The 150-piece concert band opened the program with seven selections, after which Todoroff introduced past members of the CJHS rhythm ensemble, which was formed here three years ago. The current ensemble was introduced by Ralph E. Frohardt, principal of Coolidge junior high school.

Under the guidance of Todoroff the group demonstrated 14 Latin-American dance rhythms, with the director briefly explaining each style and several of them in actual selections, which Todoroff said would form the nucleus of the ensemble's performance at the national conference.

A larger, experimental group, formed by the addition of three cornets, three trombones and four saxophones to the band, 10 member rhythm group, also presented two selections.

The concert band closed the program with "The Sound of Music," "Voodoo," and the theme from the motion picture "Exodus."

Everyone agrees that a bank president leads a busy life, but consider his secretary! Meeting people, handling correspondence, tending to the million and one items that come up each day, is the job of Mrs. Jeanette Craven, secretary to Mr. Ernest Karand, president of Granite City Trust and Savings Bank.

A capable and energetic gal, Jeanette enters into community activities, too. She is a member of the Tri-City Chamber of Commerce, the Granite City Senior High School Alumni Organization, and attends the First United Presbyterian Church.

An alumna of Granite City Senior High School and Southern Illinois University, Jeanette is married to William F. Craven, and lives at 2636 E. 28th St. Her hobbies include golf, camping and reading.

It's friendly folks like Jeanette Craven, who serve you at Granite City Trust, that make banking here such a pleasure. A willingness to please, a welcome smile, and the ability to get the job done well are typical of the employees at "Your Friendly Bank". Another reason why more and more folks are making Granite City Trust their bank!

Fluoridation Approval Would Be Boon To Quad-Cities And Surrounding Area

Granite City voters will have many decisions confronting them when they go to the polls next Tuesday, but few if any will be more important than the issue of fluoridating the water supply to reduce the incidence of dental decay.

With so many candidates for office, there understandably will be a wide difference of opinion expressed in some of the balloting. But there need be no question over how to vote on the fluoridation proposal.

A "Yes" vote will not bring fluoridation automatically. It will only serve as a guide to Granite City aldermen. If they respond with favorable action, it still will be necessary to seek approval from Belleville and Swansea in order for the many communities served by the East St. Louis and Interurban Water Co. to begin enjoying the benefits of fluoridation. But a "Yes" vote next week will be a long step in the right direction.

The Press-Record has made a long and thorough study of the fluoridation issue without hesitation that local voters approve the plan. It would be presumptuous to take such a stand if there was a difference of opinion among recognized medical, dental and public health authorities over fluoridation, because this newspaper's staff includes no such experts. But the 100% endorsement by those in a position to know and evaluate the facts, and the fact that the fluoridation of "bro" and "anti" material, leads to only one conclusion—that fluoridation is needed and would benefit the people of the Quad-Cities.

Dental health of the entire local community and of many neighboring cities is at stake, because lack of approval in Granite City, Belleville and Swansea has served to block fluoridation for most of the Illinois Metropolitan Area, even though a large majority of the municipalities, including Madison and Venice, have given their approval. Thus, voters here have an added responsibility to act not only for their own sake but for their neighbors as well.

While this area has been marking time, fluoridation has been in effect for some years in St. Louis, where Health Commissioner J. Earl Smith calls fluoridation "the most important of the health procedures of our time." We have never regarded the local area as any less far-sighted or up-to-date than the nearby Missouri region. Surely Granite City will not send their progress into reverse with a negative answer.

Spring Religious Holidays Festivals Of Joy, Freedom

Annual return of the Easter and Passover seasons brings with it renewed joy and confidence. Commemorating the resurrection of Christ, Easter symbolizes the triumph of life over death. For those of the Jewish faith, the Passover is the "Festival of freedom," marking the exodus from Egypt and the beginning of their theocratic life.

While differing in their meaning, the two holiday periods have been closely linked on the calendar because Jesus' death occurred upon the day of the Feast of Passover.

With unusually pleasant spring weather arriving this week, following earlier showers, the religious observances are a timely reminder to Quad-Cityans of God's goodness and manifest wisdom. His master plan, the marvelous "birth of life from death," is best understood in the early spring, when the "stirring earth is scrubbed and scoured, fresh clean with rain."

Mrs. Schillinger On Committee For Program

Mrs. Clara Schillinger of Granite City is a member of the committee planning a Madison County Farm Bureau "Citizenship" program for the evening of Monday, April 8. Time of the program has been set for 8 o'clock at the Farm Bureau building, Edwardsville.

Guest speaker for the evening will be Dr. George J. Hess, a practicing physician in Bunker Hill, Ill., since 1942 and president elect of the Association of American Physicians and Surgeons. His analysis of the Communist conspiracy and its conflict with Christianity will carry the title, "Peaceful Co-Existence—20th Century Fairy Tale."

NEED DOUGLAS REPAIRS CALL DOUGLAS, TR. 6-2988

Trend Toward Commuting Aids General Steel's Prospects

With mass transit regarded as increasingly essential to link concentrations of business activity with the mushrooming residential zones surrounding them, there is an optimistic outlook on the future needs for subway and rapid transit cars and similar commuting equipment, such as that being built by the General Steel Castings Corp. The firm's annual report notes that it is now better able to compete in this field due to acquisition of the St. Louis Car Co.

Bolstering this optimism is the fact that such systems as that in New York are finding it necessary to replace many existing rail cars due to obsolescence and costly maintenance. Such cities as Chicago, Philadelphia, Boston and Cleveland also are moving to modernize and expand existing rapid transit lines, and Los Angeles, San Francisco, Washington, Atlanta and other areas are planning to fight growing congestion by installing transit systems as well as by building new highways.

There are many people who prefer to drive to work, but the rising population and even faster acceleration in the number of autos are bound to have an effect. Studies indicate a 20-to-1 efficiency ratio in favor of rapid transit as compared with private cars, in the movement of large numbers of people.

General Steel's immediate prospects are for a better year in 1961 than 1960. With its greater diversification and the trend in metropolitan transportation, the future years seem likely to show even further gains.

As yet, we haven't seen a do-it-yourself operation kit.

Bill Would Reduce Aid To Federally Impacted Schools

Amidst the talk of increased aid to education through broad federal participation, it is interesting to note that the administration proposes a 50% cut in the main portion of aid to "federally impacted" school districts, with further reductions to be spread over three years.

The program, which has aided both the Granite City and Madison districts, has distributed a total of \$2 billion to 4000 districts since being started a decade ago.

Purpose of the grants has been to ease the financial problems of communities whose school systems are deprived of taxable land or are otherwise overburdened by the presence of federal activities and employees. Yearly aid is given to meet operating and maintenance costs, with construction grants given occasionally when conditions warrant. The Quad-Cities have benefited directly to the tune of well over a million dollars, due to the Army Engineer Depot and federal defense contracts with private industries.

It has been argued that the aid is no longer needed or merited, in view of the funds already supplied. But any new federal school aid that may be voted can have only limited effect here, if a major source of funds is impaired at the same time. From the local viewpoint, the net result of the federal aid bill would not justify the possible increase in the tax load.

Progress is not achieved by following the crowd.

Sparks Elected To State Fire District Board

Marion Sparks, president of the Mitchell Fire Protection District, was elected to the board of directors of the Illinois Association of Fire Protection Districts during the 18th annual convention held recently at Peoria.

Sparks also is a member-at-large of the association's liaison committee.

Edward Withers Named Toastmaster Of Week

Edward Withers, 19, won the toastmaster of the week award in his latest speech before the Granite City Toastmaster Club at a meeting Monday. His topic was "Nineteen Years in Granite City."

His father, Charles Withers, was the second speaker and talked on "South of the Border."

Toastmaster was Dr. Leo Coleman; general evaluator, Marvin Dean; and best critic, Earl Lee.

Nine members and one guest, Howard Badde, of Elkhart, Ind., were present.

The club, which recently elected officers, will hold an installation April 10 in a meeting which will also be "ladies' night."

Easter Egg Hunts For Children Over Weekend

Community Easter egg hunts for children in the Quad-Cities will be staged this weekend by four local organizations, and a number of others are being planned by other groups for the children of members.

The four community egg hunts which are open to children in the areas where they will take place are being promoted by the Venetian Social Club, the Daybreak Optimist Club, Madison Lions Club and Long Lake Amvet Post 187.

The Venetian Social Club will stage its egg hunt on the Venetian school grounds at 9:30 a.m. Saturday, according to Chairman George Mangiaracino. The hunt will be for children in the first through sixth grades eligible to compete for prizes which will be awarded to those finding the most eggs.

At 10 a.m. Saturday the Daybreak Optimist Club will sponsor an egg hunt for children in the first through sixth grades eligible to compete for prizes which will be awarded to those finding the most eggs.

City OKs GC Township Disbursements of \$5684

Township disbursements totaling \$5684, including \$4106 for re-landed and \$1578 for town purposes, were approved Monday night by Granite City council members in their capacity as town board during an all-day program Saturday.

Relief expenditures were \$186 for medical care, \$320 for food, \$136 for room and board, \$71 for nursing home care, \$20 for rent, \$25 paid to Narnetki township, \$25 to Panola township and \$39 to Collinsville township for relief assistance.

\$407 half-month salaries for three office workers, \$20 for employees' retirement, \$18 for telephone service, \$48 for utilities and \$3 for dues to the Illinois Welfare Association.

Town fund disbursements included \$700 half-month salaries for officials; \$41 travel allowance for the supervisor; \$20 travel allowance for the assessor; \$20 office allowance for justices of the Peace Robert A. Rouland and Gerhard Mueller, \$30 per diem for Town Clerk A. L. Stevens.

For the assessor's office there were payments of \$540 to Deputy Assessor Catherine Herman and \$180 to Deputy Assessor Mary Boring, \$40 for postage, \$40 for a stand for an office machine, \$6 for utilities, \$8 for cleaning supplies, \$62 telephone service.

Other fund disbursements were \$43 for employees' retirement, and \$14 for publication of notices.

How their telephones save Mr. and Mrs. Neil Sauer 2 1/2 hours a day

By DON DAVIS, Telephone News Writer

"I called a department store to order a place setting of china I saw advertised. I'm going to give it to a friend who is getting married."

"As a photographer, I have calls at home in the evening to arrange for props and models. So I use my Princess phone in the bedroom, where it's quiet."

The Sauers use their phones — a white Princess model in the bedroom and a green wall phone in the kitchen — about 50 times a week to help them get things done.

As she speaks of the Princess, Mrs. Sauer's eyes light up. "It's so small and lovely. And the way the dial lights up is great." The Sauers use their bedroom phone when they want quiet and privacy. This phone also gives Mrs. Sauer a sense of security when she's alone at night.

Why not take a tip from the Sauers? Enjoy the convenience, pleasure and security of extension telephones. Just call the telephone business office or ask a telephone serviceman. Cost is low.

Lutheran Bureau Easter Sunrise Service At Park

The annual Easter sunrise service sponsored by the Lutheran Bureau will be held at Wilson Park near the Delmar avenue and 27th street entrance at 6 a.m.

The resurrection dawn service will have as guest speaker the Rev. Arthur E. Graf, who heads the department of Practical Theology at the Springfield Lutheran Seminary, Springfield, Ill.

Prof. Graf has held pastorates in Pennsylvania, Alabama and Texas and has contributed articles to the "Lutheran Witness" on family relations. He is currently publishing a book on premarital counseling and a book on Lenten sermons.

The meeting will open with the invocation, reading of the Easter Gospel and leading in prayer by Pastor Arvin Twietmeyer of Concordia Lutheran Church. A brass choir under the direction of John T. Seeverie of St. John Lutheran Church will sound out Easter anthems as the worshippers assemble. The ensemble will then accompany the congregational singing. Members of the brass group are Emmert Dannenberg, William A. Frey and Michael Henke.

Parents Of Son

Mr. and Mrs. William D. Huggins of Maryville, formerly of this city, are announcing the birth of a son Tuesday at St. Elizabeth Hospital. The baby weighed eight pounds, seven ounces and has been named David Bruce. He has a sister, Janice Elaine, eight years old.

GC Steel Aiding Safety Research

Granite City Steel Co. is one of 600 companies planning to jointly finance construction of a driving simulator to study motorists' reactions under controlled conditions.

Goal of the project is improved highway safety. Support for development of the electronic device has been voiced by the Automotive Safety Foundation, which is maintained by contributing firms and trade associations.

Plans for the simulator have been described as a major safety advancement by J. O. Mattison, foundation president, who said the device holds "great promise for the future" because it would make possible wider research in driver, behavior and auto and highway design. It would reproduce for the operator all of the sights, sounds and other sensations experienced when driving a car.

\$11 Million in Grants
Last year, the foundation made grants totaling \$740,000 to 25 educational institutions and public service organizations to further traffic safety and highway development. The allocations brought to \$1,700,000 the amount awarded by the group since it was created in 1957.

Among the larger grants in the past year was one to the National Safety Council to finance the Annual Inventory of Traffic Safety Activities, in which 48 States and 1200 cities submitted reports of their safety programs for analysis and comparison with inventory standards.

Relationship To Accidents
At the request of the U. S. Bureau of Public Roads, ASF began work on publication of a report and bibliography of present knowledge of the relationship of highway design and traffic control devices to the accident rate.

Studies of state-highway needs were made by the foundation staff in Iowa, Missouri, Wyoming, Mississippi, South Dakota and Rhode Island. Studies of highway management procedures were made in New Jersey and the Canadian provinces of Ontario and Manitoba.

Work completed or in progress during 1960 brings to 35 the number of highway studies made at the request of 27 states, with four additional studies having been made for the two Canadian provinces. Technical assistance was provided for transportation studies in many cities, and the foundation also began a nationwide study of driver licensing laws and directed a study in California of state functions bearing on ownership and operation of motor vehicles.

Auto, Truck Collide

A collision at 4:05 p.m. Monday at Sixth street and McCann bridge avenue damaged the left front of the westbound pickup truck of Mrs. Addie M. Dunn, 1928 Sixth street, East Madison, and the right front of the auto of Anna M. Layton, 1871 Edwardsville road, Madison, northbound on McCannbridge.

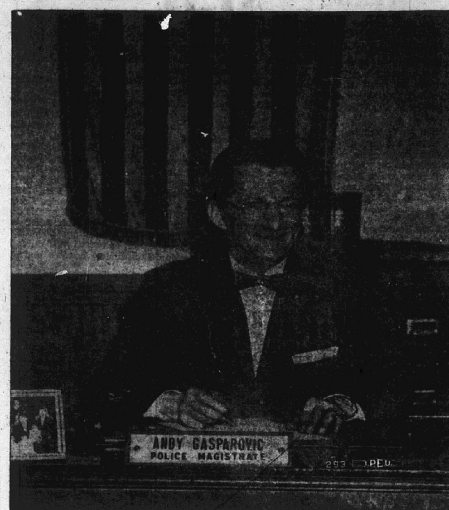

THE MAN OF THE WEEK

"I have money for everyone!"
—says friendly manager

HARVEY MILLER

"I like people and want all the folks here and in nearby towns to come in and get acquainted. You'll like me — and I've got plenty of cash for you, any amount from \$10.00 to \$500.00 with payments to suit your income."

"If you wish, try a 'Get-Acquainted Loan' of \$100.00. Walk out with the cash in your pockets in 10 minutes. If your car payments or other payments are too high, I'll try to cut them in half and advance you additional money besides, or pay up your bills. I'll be your biggest supporter — have only one place to pay. Phone first. If you wish, Easy as A-B-C. Just call up, tell me the amount you need, then stop by for the money. Ask for me — Harvey Miller, Reliable Loan Corp., 1900 State St., Granite City, Ill. Phone 271-1111 8-8000."

Judge M. C. Mathes of the United States Court of Appeals in an address before the St. Louis County Bar Association a few weeks ago, pointed out he was not criticizing Judges slated by politicians and elected on a party ballot. However, he added:

"In my mind there is something essentially belittling both to the Judge and to the office, in requiring him to hawk his talents and virtues around the countryside with his future tenure depending on whether the voters like his politics, his face, his name, his church or his friends, whether his opinions are popular with the majority. Certainly these factors have nothing whatever to do with the proper administration of justice."

The above article appeared in the Globe-Democrat Feb. 28, 1961.

JUDGE GASPAROVIC is seeking re-election as a strictly INDEPENDENT candidate, not being connected with any political party or group, depending solely on his merits as the most qualified candidate for the highly important position as Police Magistrate of Granite City. Numbered among his thousands of friends and supporters are a vast majority of Attorneys, Judges, and Ministers of the Gospel of all denominations.

JUDGE GASPAROVIC has diligently assisted and counseled with the Illinois Youth Comm., Protestant Welfare Assn., Catholic Charities, Salvation Army, Coordinated Youth Services and various other welfare agencies, in rehabilitating and aiding the unfortunate and needy of our community.

JUDGE GASPAROVIC has referred to and requested assistance from the pastors of every church in this City in matters concerning members of the various faiths, who found themselves in trouble and needed spiritual as well as material guidance.

JUDGE GASPAROVIC is richly endowed with a wonderful family of nine children, seven of whom still make their home with him and Mrs. Gasparovic at 2150 Edison Avenue. His two eldest children are married, Aileen having four children, and Andrew 3rd having five. Audrey is completing her medical studies at Washington University, Andrea and Alan attending High School, and Annette, Angela, Anita and Aliza being in Grade School.

JUDGE GASPAROVIC worked his last full day at Granite City Steel Company on October 6, 1957, has been on leave since that time, and has devoted his time and energy to the office of Police Magistrate not five, not six, but seven days each week, whenever his services were needed regardless of the time of day or night.
